Wauzeka-Steuben Buzz

301 E Main St. Wauzeka, WI 53826 May 2026

Dear Wauzeka-Steuben Staff, Families and Community Members,

We are extremely gratified to share that voters have approved renewal of Wauzeka-Steuben's operating referendum to maintain our existing educational programs and pay the costs of operation and facilities maintenance.

Official results show a vote tally of 270 to 191, or 59% in support.

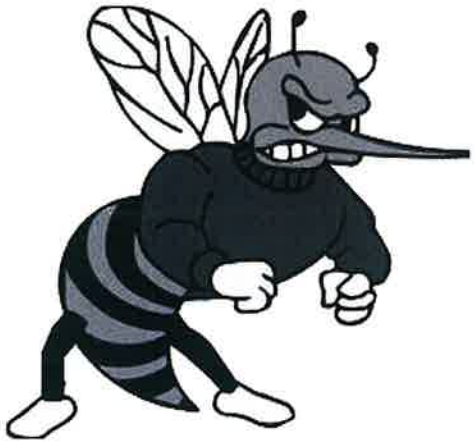

While we wish we didn't need to seek these operational referendums, this funding remains critical to sustain our current programs and services for our students. This support from our community will allow us to continue to focus on teaching and learning. Wauzeka-Steuben is proud that our student proficiency scores in English and math are continuing to increase, and our achievement scores were the same or higher than 74.5% of Wisconsin districts.

We asked for two years of referendum funding, rather than three or four years like the past, because we want to monitor what happens with our state aid, after the election of a new governor and a new state budget that legislators will develop for 2028-2030.

Thank you for all you do for our students' education. If you have any questions, please reach out anytime.

PBIS ASSEMBLY

We held our April PBIS assembly for our elementary school. We recognized our Listening Lions, ose students who listen to rules and follow directions, keep their mouth closed and ears open when others are speaking, and have their body, eyes, and ears on the speaker at all times.

The Golden Spoon and Silent Slipper were both awarded to Mr. Smith's 3rd grade classroom, while the Buzzing Broom was awarded to Ms. Joni's classroom.

We also met our Behavior Buddy for the month of April, the Green Gorilla!

Whether it's during a lesson, group work, or independent time, Eli stays focused, raises his hand to participate, and gives his full attention to whoever is speaking. He shows respect by being a thoughtful listener and kind classmate and shows responsibility by staying on task and completing his work with care. Eli's actions help create a classroom where everyone feels heard, respected, and ready to succeed. He truly leads by example, through his actions, and Mr. Smith is so proud of his hard work!

W-S SENIOR TRIP

The W-S senior class trip to New York City was an unforgettable experience filled with iconic sights, rich history, and incredible food. From the moment we arrived, the energy of the city was nonstop.

We kicked things off with the Big Bus Tour, which gave us a full view of Manhattan and helped us take in the scale and excitement of the city. Seeing landmarks from the top of the bus was the perfect way to get oriented and appreciate everything New York has to offer.

Walking across the Brooklyn Bridge was a highlight for many, with amazing views of the skyline and a chance to experience one of the city's most famous landmarks up close. We also explored Little Italy, where students enjoyed authentic dishes and a true taste of New York culture.

A powerful and meaningful stop on our trip was the 9/11 Memorial and Museum. It allowed everyone to reflect, learn, and pay respect to those impacted, making it one of the most impactful moments of the trip.

We also visited some of New York's most beautiful and historic landmarks, including St. Patrick's Cathedral and Trinity Church, where students were able to appreciate the architecture, history, and significance of these iconic places. A visit to Grand Central Terminal showcased the city's timeless elegance and energy, while a trip to the Empire State Building gave us another breathtaking perspective of the skyline.

The group experienced even more of the city's top attractions, including a visit to the Edge, where we stepped out onto one of the highest outdoor sky decks in the world for incredible views. We also spent time at the USS Intrepid, exploring the historic aircraft carrier and learning about its role in American history. A relaxing stop at Little Island offered a unique green space and a chance to take in the city from a different perspective.

One of the biggest highlights of the trip was attending the Broadway production of The Lion King. The performance was outstanding and gave students a true taste of New York's world-famous theater scene. Additionally, some students had the opportunity to attend a second Broadway show, Hamilton, making their theater experience even more memorable.

We also spent time in the heart of the city at Rockefeller Plaza, even catching a glimpse of the Today Show in action, which added an exciting, real-time connection to a nationally recognized broadcast. Heading up to the Top of the Rock at night provided a breathtaking view of the city as it glistened under the lights-truly a moment none of us will forget.

Another exciting experience for the group was attending a New York Knicks game at Madison Square Garden. The atmosphere was electric and gave students a chance to be part of the city's passionate sports culture.

We also enjoyed some classic New York experiences, including a meal at Ellen's Stardust Diner, where the talented singing servers made for a fun and lively atmosphere. Visits to the Plaza and the legendary Hard Rock Cafe added to the experience, along with seeing the Charging Bull and walking through Wall Street, where we got a glimpse into the financial heartbeat of the country.

This trip was an incredible mix of fun, learning, and once-in-a-lifetime experiences. The group represented our school and community well and made many memories that will last a lifetime!

FBLA STATE LEADERSHIP CONFERENCE

FBLA students attended the High School State Leadership Conference in Green Bay. Avery and Violet competed in Social Media strategies, and Olivia and Chloe attended the Leadership conference. The students were kept busy with workshops, ceremonies, and the favorite part of all, the nightly block party. Great job!

SKILLSUSA STATE LEADERSHIP CONFERENCE

SkillsUSA competed at the 53rd annual State Leadership and Skills Conference last week. Our members competed in Team Engineering, Masonry, CO2 Dragster, and 3D Printing. We also sent one member as a state officer and two others as voting delegates to elect this year's state officers. Congratulations to all students!

SALT TRIP

Students from our SALT (Student Athlete Leadership Team) attended a Leadership Summit in Stevens Point. The purpose of the Summit is to assist schools with their leadership, citizenship, and sportsmanship efforts with a high-impact day of growth, connection and inspiration.

The Summit featured a morning keynote address by Craig Hillier, author of "Playing Beyond the Scoreboard," and an afternoon keynote presentation by Mark Horbinski, founder of Won80.

The summit included three, 30-minute break-out presentations, which included: "Leadership Opportunities" by Bradie Ewing, former Wisconsin Badger and professional football player, "Student-Athlete Wellness" by Charles LaTorre of Emplify by Bellin, and "Encouraging Participation in Education-Based Athletics" by the WIAA Student-Athlete Leadership Team. It was a great experience for our students!
