April 24th through the 26th the Wauzeka- Steuben Hornet House Players took the stage in their rendition of the classic boardgame and movie "Clue." Six guests, one creepy mansion, a thunder-storm…what could possibly go wrong? This who-dun-it murder mystery was both dramatic and comical. Each character had a motive, a weapon, a past, & questionable alibis. Game Over!

His efforts don't stop at the classroom door. Around the school, Levi continues to show what it means to be a Green Gorilla by keeping hallways, common areas, and shared spaces clean. ALL-STAR GAME

Each year, Wisconsin's top seniors are selected to compete in the WFSCA Senior All-Star Games following the annual State Tournament. Players are nominated by their coaches and chosen based on their accomplishments throughout their high school careers. With over 400 seniors nominated each season, only a select few earn the opportunity to extend their softball careers a little longer.

Those selected travel to the Waterpark Capital of the World-Wisconsin Dells-to compete at the Woodside Complex, where they are placed on teams alongside other standout players from their division.

Please join me in congratulating Isabella Bunders on being selected to participate in the 2026 Senior All-Star Game in Wisconsin Dells! This marks the fourth consecutive year that the Wauzeka-Steuben Hornets will be represented at this prestigious event (2023 - Madison Walz; 2024 - Cameron Hurda & Ally Wall; 2025 - Emma Wall).

Isabella has put together a phenomenal softball career and is off to a great start in her senior season. She continues to build on last year's accomplishments, which included Ridge & Valley All-Conference 1st Team honors, 1st Team All-District recognition, and All-State honors. She has continued to dominate both offensively and defensively, earning a well-deserved reputation as one of the area's top players.

While Isabella will be unable to participate in the Senior All-Star Games, this selection is a testament to the impact she has made throughout her career. Beyond her performance on the field, Isabella has been the epitome of a great leader and teammate, setting the standard for what it means to be a Hornet and leaving a lasting legacy within our program. Way to go, Isabella!

Can Collection 2026

This Spring's can collection consisted of 8,200 lbs and nearly two semi trailers full. At 80¢ per pound, that came to nearly $6,600. The profits earned were distributed to 7 different organizations within the Wauzeka and Steuben communities. Area volunteers came together and helped load 100's of bags of cans into semi trailers. A huge thank you to Richardson Trucking for supplying the trailer, and Bassette Trucking for hauling 2 loads to Richland Center. As always, we would like to thank all workers and donors and encourage area residents to continue to recycle their cans at the designated collection bins located by County N and Guard St. in Wauzeka, the Wauzeka Township Recycling Center, & Bridge St. in Steuben. Let's get a jumpstart on the 2027 season and see if we can hit 10,000 lbs!
