Nasiah also has done better with listening and following directions in class. Keep working on growing and learning and keep up the hard work!

Howey Roth (1st Grade), son of AV Roth and Christine Roth. Howey is such a kind and smart young boy. He excels inside and outside the classroom. He is very helpful and is willing to help anyone with anything they might need. He is very smart and if there is something he doesn't know he is great at problem solving to figure it out. Howey has been such a great boy to have in class and Mrs. Knowles knows he will do great things in the future. Keep up the great work Howey!

Levi Sander (2nd Grade), son of Karl and Kayla Sander. Levi is very kind and helpful. He is competitive but always exhibits good sportsmanship. This quarter he has been working hard on completing his work in a timely manner and he's doing a great job! He's come out of his shell since last year! He loves making new friends and sharing stories. Ms. Rimkus had loved watching him grow over the past year and can't wait to see what his future holds!

Maverick Hird (4th Grade), son of Terry and Mara Hird. Maverick has consistently worked hard and participates actively in class. He often helps his classmates, which has made our classroom a friendlier place. Maverick does well in his studies and is always looking for a way to get better. In addition to his achievements, Maverick treats everyone with respect. He creates a supportive environment where everyone feels included. Maverick is well deserving of this award and Mr. Cornell hopes he continues his success.

## Trip to State Capitol

The 4th and 5th graders were able to tour the capitol in Madison on Tuesday, May 13th. Thanks to Mrs. Martin and Mr. Cornell for planning this educational trip for the students!

## PALS Trip

The Wauzeka-Steuben School PALS went to LaCrosse April 30th for a field trip. They went up to play at the different parks. The first one the kids stopped at was the Indoor Playgrounds of LaCrosse. They had so much fun playing their hearts out, jumping on jumping pillows, going through obstacle courses, and playing basketball. After they had been there for a while, they went to the Trane park in LaCrosse, where they ate lunch and played on the big slides, swings, and other objects at the playground. The kids with their PALS had so much fun and were so tired on the way home. Everyone had a good and safe day at the playgrounds and cannot wait to return!

## Math Day at the Brewers game

The MS/HS math team (48 students and 7 chaperones) went to the Brewers game on Wednesday, May 7th, against the Houston Astros. The math team departed from the school at 6:30 A.M. They tailgated all morning until an hour before the Brewer game started. While tailgating, they had many things to keep them interested and having fun. They had bean bags, soccer, Kan jam, and just throwing a football for fun. As the kids were having fun, Mr. Dums (high school math teacher) and Mr. Okey (middle school math teacher) were grilling brats and hamburgers. They went into the stadium an hour early to find their seats and look around at everything they had in there. Sadly, the Brewers did not have the best outcome, losing 1-7. The kids and teachers still had an amazing day spent tailgating and watching the game! Special thanks to Mr. Dums and Mr. Okey for putting this on for the students!

# Bethel Horizons 2025

The 8th grade class had an opportunity to attend the yearly overnight trip to Bethel horizons. Bethel Horizons is located near Dodgeville, WI and has remarkable features.

Each year when staying at Bethel, students are exposed to environmental education such as team building and high rope courses. During their stay, students learned and built leadership and teamwork skills. This is a great opportunity for our students and a big thanks to Mrs. Mezera, and Mr. Okey for providing the students this opportunity.

## STATE FFA CDE LIVESTOCK JUDGING

Brooke Mitchell, Macy Mitchell, Violet Mitchell, and Hayley Mitchell traveled to UW-Madison today to compete in State FFA CDE Livestock Judging! The team placed 4th out of 49 teams at regionals back in March qualifying them to move on. They placed 20th out of 32 teams. Brooke individually placed 5th out of 125 students. Way to go, Mitchells!!

## 2 New School Records for Girls' Track

This year's track season has been successful so far for our ladies' team. The first record broken was by Emma Udelhoven, rebreaking her pole vault record from last year. Last season, Emma set the school record with a vault of 9'0 feet. This season, she has already broken that record again with a vault of 9'6. Following Emma's record, the girls' 4x400-meter relay broke the school record set last year. On a Saturday meet at Riverdale, a team of Emma Wall, Ellah Jones, Isabella Bunders, and Natalie Wright set the new school record with a time of 4:22.06. The previous time was 4:26.40 set in 2024 by Emma Udelhoven, Ellah Jones, Isabella Bunders, and Natalie Wright.

## Congratulations, Emma!

Each year, Wisconsin's top seniors are selected to compete in the WFSCA Senior All-Star Games after the conclusion of the annual State Tournament. Players are nominated by their coaches and selected based on their softball accomplishments throughout their high school career. Over 400 Wisconsin Seniors were nominated this season with only a select few being lucky enough to continue their softball careers a little bit longer.

The selected seniors then travel to The Waterpark Capital of the World, Wisconsin Dells, to show off their skills at the Woodside Complex. They are then placed on a team with other players from their respective division.

Please help me in congratulating Emma Wall as she was selected to participate in the 2025 Senior All Star Game in Wisconsin Dells on June 16-17. This is the 3rd year in a row, the Wauzeka-Stauben Hornets will be represented at the Wisconsin Senior All-Star Game (2023- Madison Walz and 2024- Cameron Hurda & Ally Wall).

Emma has had a phenomenal senior campaign building off of her success as a Ridge & Valley All-Conference 1st-Team selection and being named to the area's 1st Team All-District Team a year ago. This season, Emma has been a monster yet again both offensively and defensively and has earned herself quite the reputation! Again, please help me in congratulating Emma on this prestigious accomplishment!
