## SCHOOL IS BACK IN SESSION!

Dear Wauzeka-Steuben Families,

The 2021-22 school year has begun, and we are getting back into the school routine. It's great to have the kids back in the classrooms this year. Our staff and administration was eager to get back into the regular swing of things. Our football, volleyball and cross country teams

are competing with their respective seasons well underway now. And, many of our student clubs have been active with kick-off meetings to start the year.

If you haven't heard already, we are bringing back the school musical this year. This year's production will be "The Wizard of Oz", featuring students from many grades on stage or behind the scenes. Performances are slated for early November.

At school, we were so wishing that we could get back to "normal", and just have a regular year of school without the cloud of COVID-19 over us. Unfortunately, it doesn't look like that will be the case. Every day we are making efforts to keep our school environment safe for students and staff, yet minimize the negative impacts of the pandemic. We are constantly monitoring COVID-19 cases in the school, and in our community. And, we regularly review our practices and procedures to see if we need to change strategies. Our school website has a COVID link that will show what our current procedures and protocols are regarding mitigation strategies. We are also looking to add a sort of dashboard to share the same daily information we look at in terms of monitoring local cases.

Thank you all for your continued support of the Wauzeka-Steuben School District, and all of the children and families that we serve in this community!

Sincerely,

Dave Alexander

This is my first official full time teaching job and I am very excited to be back and teaching in a great school!

**What are some fun facts about yourself?**

*Genene Bunders - Paraprofessional/CLC Coordinator*

**Tell us a little about yourself.**

I'm originally from Kaukauna, WI; however my husband and his family are from Wauzeka. We recently moved here from Almond, WI, which is a small town like Wauzeka, near Stevens Point. I have 5 boys: Tyler, Austin, Dylan, Zach and Seth who have turned me into a sports fanatic. I also have one grandson. I really don't have many hobbies as most of my spare time has been spent either at the football field or in the gym watching my boys play football or basketball.

**What are some fun facts about yourself?**

When I was younger I loved to dance. I took tap, jazz, ballet, hula and was part of my high school dance team. I always thought opening a dance studio would be fun.

**Nick Kopitzke - High School Social Studies Teacher/Freshman Class Advisor**

**Tell us a little bit about yourself.**

My name is Nick Kopitzke and I teach HS Social Studies at Wauzeka-Steuben. I am originally from the town Chilton, WI - which I thought was a small town until I started teaching in Wauzeka. I went to college in Platteville, and that is also where I live. Some of my hobbies are playing basketball, cooking, reading, and playing Mario Kart 8 on the Nintendo Switch. I like potatoes and fall weather, and - I know this is controversial, so hopefully I don't get fired - I think that Popeyes is probably the best chain restaurant to get fried chicken at.

**What are some fun facts about yourself?**

I like to sing, and I was in choir all the way through college - the choir at Platteville even took me to London with them. My favorite color is orange, my favorite animal is dogs, and my favorite movie is probably one of the Lord of the Rings movies. My favorite celebrity is Khristina Middleton. My favorite book

(series) is the Wheel of Time by Robert Jordan. I don't have a favorite food because there are so many good options, but I like pasta a lot. I believe in aliens.

**What is your favorite thing about Wauzeka so far?**

The students are awesome. You all are funny and really smart.

**What are you most excited about this school year?**

This is my first year as a full-time teacher, so for things I am personally responsible for, I am most excited to see which of my lessons and teaching styles I've worked on actually work - and which ones really don't at all. The biggest thing I am excited for, though, is getting to come in every day and learn something new about the students and staff at Wauzeka-Steuben.

**Mary Bartels - Food Service**

**Tell us a little bit about yourself.**

I am a retired RN. Worked as an RN for 33 years. So I wouldn't be bored, I chose to work at school. I wouldn't have to drive winter roads since I live 2 minutes from school. I have 6 children, 15 grandchildren and 1 great grandchild expected in November.

**What are some fun facts about yourself?**

I love to travel, especially on cruise ships. I love to play bingo and attend a few games watching the Milwaukee Brewers and the Green Bay Packers.

**What is your favorite thing about Wauzeka so far?**

Wauzeka is very community minded. Staff at school makes everyone feel welcome. The staff I work with have been amazing in the kitchen.

**What are you most excited about this school year?**

I only work part time, which lets me enjoy my retirement. I am looking forward to this year's play production and music concerts and sport activities.

Wauzeka-Steuben Hornet House Productions is proud to announce our upcoming musical, The Wizard of Oz. This beloved tale has captivated audiences for years and is now coming to the Doll Gym in November. This play follows Dorothy Gale, a Kansas farm girl, who travels over the rainbow to discover the magical power of home. Auditions are complete and we have an amazing cast. We hope you're off to see the wizard **November 4th, 5th, and 6th at 7:00pm in the Doll Gym.**

**Theodore Millin and Wyatt Mullikin audition for roles with Mr. Barnett.**

**PBIS:** Thursday, September 9th was the Elementary PBIS Kick-off Assembly. Mrs. Zeeh talked to students about being safe, respectful, and responsible. They reviewed how to stay healthy, properly wash hands, and social distance when necessary. Our PBIS word of the month is "inclusion." Students were given various scenarios and asked how they could resolve these issues and include their friends. We are a family here at school, and sometimes we don't always get along, but we always need to be kind and always include our family. Hornet Pride!

## 5th Grade News

The 5th grade class used the Scrabble bulletin board outside their classroom to make predictions and answer questions about their classmates' names, such as whose name was worth the most/least points, what letters had the most value, and using the information on the board to see how many points Mrs. Martin's name was.

The first week of school we also used problem solving strategies to play some minute-to-win-it games.
