The WIZARD of OZ

A cast of 50 students from 2nd grade to seniors, performed L. Frank Baum's (Royal Shakespeare Company) rendition of The Wizard of Oz, directed by Shawn Zeeh. The plot followed Dorothy Gale (Lizzie Bird) on her journey over the rainbow as she met Scarecrow (Theodore Millin), the Tinman (Caydon Lomas) and the Cowardly Lion (Paul Krachey). They

followed the yellow brick road to the Emerald City to see the great and powerful Oz (Wyatt Mullikin) while trying to steer clear of the Wicked Witch of the West (Emma Kapinus). Through the help of Glinda (Gracie Hooker) and the ruby slippers, Dorothy finds her way back home. The show

wrapped up after 3 public performances and many rave reviews. From Hornet House Productions, the cast and crew of the Wizard of Oz would like to thank everyone who came to see the show or supported our production in some way. We had so much fun and cannot wait for the next play.

Wauzeka-Steuben holds annual Veteran's Day Program

The Wauzeka-Steuben school held its annual Veteran's Day program. Students and staff gathered in the hornets nest to honor and thank those who have served for our country.

Our guest speaker this year was a veteran named Master Sergeant Aaron LaHaie (pictured below), who joined the Wisconsin Army National Guard in Prairie du Chien, WI in May of 1985. At first, he was a traditional weekend service member but after several years, he became a full time staff member. He had many different positions, including a wheeled vehicle driver, heavy equipment operator, electrician, Nuclear-Biological-Chemical Specialist, recruiter, and retention and Benefits NCO. He retired in 2013 after 28 years of service. He now lives in Prairie du Chien with his wife, Chris. We would like to thank Aaron for his service as well as taking the time out of his day to come speak with us. A special thank you goes out to everyone who put the program together and for those who came to participate in showing our appreciation for all Veterans.

Master Sergeant Aaron LaHaie

A group of veterans who joined us for the program. We thank them for their service to our Country!

Haley Mitchell, the 6th grade essay winner, reading her essay.

Avery Kilburg, the 7th grade essay winner, reading her essay.

Andrew Mezera, the 8th grade essay winner, reading his essay.

BIG NEWS FOR OUR HORNET READERS!!

Compeer Financial Awards 22 Rural Schools Innovation Grants

Sun Prairie, Wis. (July, 2021) – The COVID-19 pandemic posed a variety of challenges to rural schools and their communities. Many schools tackled those challenges head on with creativity, innovation and commitment. Compeer Financial, a member-owned Farm Credit cooperative based in the Upper Midwest, partnered with the Rural Schools Collaborative to award \$150,211 in Rural Schools Innovation Grants to 22 rural schools that developed exemplary innovative programs during the pandemic, directly impacting 12,888 students.

The Rural Schools Innovation Grants allowed schools to share what they started doing during the pandemic, and how it worked. The funding will continue to advance these vital programs so more students can benefit from outside-the-box thinking.

“Even when faced with the unprecedented hardships of COVID-19, rural schools and communities persevered and turned their innovative ideas into reality,” said John Monson, chief missions and marketing officer at Compeer Financial. “By awarding the top innovations with funding, we’re ensuring longevity for these programs and promoting new ways of thinking.”

Grants of up to \$10,000 per school district were available through this one-time program. Rural public schools in Compeer Financial’s 144-county territory in parts of Illinois, Minnesota and Wisconsin were eligible to apply.

The schools receiving grants include:

Illinois

Bright Futures Preschool, Galesburg, IL: adding an outdoor classroom space at the school

Central Intermediate, Monmouth, IL: engaging students in live and recorded broadcasting, live research, reporting and documentation in the community with place-based learning

Farmington Central CUSD #265, Farmington, IL: adding seating and recycling stations to outdoor classroom

Liberty CUSD #2, Liberty, IL: creating an AV program to educate students in basics and in-depth studies in audio and video recording, photography, podcasting, broadcasting and the art of sound

West Prairie Jr/Sr High School, Sciota, IL: nurturing the school culture where students feel connected and valued. Closing the learning gap created by school closing and online learning by focusing on students' mental well-being first

Minnesota

Eagle View Elementary School, Pequot Lakes, MN: adding an outdoor classroom space at the school

Kasson-Mantorville Community Education, Kasson, MN: bringing tutors and academic coaches to one-on-one or small groups of students

McGregor K-12, McGregor, MN: supporting the creation and distribution of pollinator science kits for families to develop awareness and skills to protect, preserve and promote plants and insects that contribute to pollination and a sustainable and healthier environment

Minnesota New Country School, Henderson, MN: adding a mobile kitchen unit, to help students learn healthy ways of preparing and serving the food they have grown in the school's hydroponic system

Monticello Public Schools, Monticello, MN: adding more nature-based education units, adapting traditional classroom lessons to natural learning with the great outdoors as the classroom

Pine Island High School, Pine Island, MN: expanding eco-literacy at schools by offering more field kits. Kits include field supplies like clip-on phone microscopes, seed growing materials and other hands-on learning materials

Spring Grove Public Schools, Spring Grove, MN: expanding outdoor classroom to a farm-school partnership, working with a local farmer to add a pig as a learning tool

Wisconsin

Ellsworth Elementary School, Ellsworth, WI: adding warm, waterproof gear for students to wear while engaged in outdoor learning year round

Iowa-Grant, Livingston, WI: constructing an outdoor space for learning

Lodi High School, Lodi, WI: developing and purchasing equipment for new publication class to produce newscasts, announcements and editorials

Luck High School, Luck, WI: supporting school and FFA program to purchase food from local farmers and grow in the school green house

Mellen School, Mellen, WI: adding an outdoor structure, tables and benches for outdoor learning

Mineral Point High School, Mineral Point, WI: expand opportunities to better meet the production and programming needs of students, staff and community; and adding a class focused on multi-media productions

North Crawford Elementary, Soldiers Grove, WI: providing books for students of all grade levels to keep at home

Potosi Elementary School, Potosi, WI: creating permanent sensory paths on playground and adding a sensory path in the hallway. These paths allow students to move, which helps them focus on learning

School District of Turtle Lake, Turtle Lake, WI: adding a pavilion and tables to school forest

Wauzeka-Steuben Schools, Wauzeka, WI: providing books for students of all grade levels to keep at home **Mrs. Folbrecht, our Title I Coordinator and Reading Teacher, applied for this grant and was awarded \$2500.00. This money will be used to purchase books for all PreK-8th grade students.**

About Rural Schools Collaborative

The Rural Schools Collaborative is a national nonprofit launched in 2015 to build sustainable rural communities. With a keen focus on place, teachers, and philanthropy, RSC's mission is realized through four signature efforts: The Place Network, Rural Teacher Corps, Grants in Place, and Impact Philanthropy. RSC is powered by a small, dedicated staff and board, as well as Regional Hub Partnerships. Learn more at ruralschoolscollaborative.org.

About the Fund for Rural America

The Compeer Financial Fund for Rural America is the corporate giving program of Compeer Financial, structured to support Compeer Financial's mission to enrich agriculture and rural America. Compeer Financial's Board of Directors has dedicated one percent of annual net earnings to support the Fund's focus areas of agricultural advocacy and development, agriculture education, cooperative initiatives, rural development and community enrichment; and youth engagement. The Fund is managed by a Board of Trustees, made up of team members from Illinois, Minnesota and Wisconsin and members of the Compeer Financial Board of Directors. More information about opportunities available through the Fund can be found at Compeer.com/giving-back.

About Compeer Financial

Compeer Financial is a member-owned Farm Credit cooperative serving and supporting agriculture and rural communities. The \$25.4 billion organization provides loans, leases, risk management and other financial services throughout 144 counties in Illinois, Minnesota and Wisconsin. Based in the Upper Midwest, Compeer Financial exists to champion the hopes and dreams of rural America, while providing personalized service and expertise to clients and the agriculture industry.

Compeer Financial is the third largest cooperative of the Farm Credit System, a nationwide network of lending institutions supporting agriculture and rural communities with reliable, consistent credit and financial services. [Learn more](#) about Compeer Financial.

A BIG THANK YOU!!

Mrs. Okey's class would like to thank all book sponsors that donated money so that each child receives a free book to take home each month!

PUMPKIN FUN

Mrs. Cox's 4K had fun the other day painting pumpkins. You can tell by their smiles just how much fun they had!

TECH-ED NEWS

All high schoolers in Mr. Gillitzer's Tech Ed classes had the chance to go on a field trip to Coloma, Wisconsin to visit the local 139. This trip was really cool. You got to drive and run machinery and then they gave us a tour of their facility which is made up of 400 Acres. It was a very educational experience for all.

December 2021

Positive Behavior Intervention & Support

Our PBIS assembly was held in the Doll Gym on Tuesday, November 9th with a full agenda. November is Bus Safety Month, so we discussed how to ride and behave properly on the bus. Below you will see our PBIS Matrix for bus safety rules. Currently masks are still required on the busses.

November 13th is World Kindness Day. Students practiced giving each other appropriate compliments and responding to compliments. This is viewed as a simple task, however, many people are not used to giving and receiving compliments. In a world where you can be anything, choose to be kind.

Bus
<ul style="list-style-type: none">• Remain seated while the bus is moving• Walk in aisle when entering and exiting the bus• Keep hands and feet to self and inside the bus
<ul style="list-style-type: none">• Keep buses clean.• Use level 1-2 voice.• Be polite to the bus driver• Keep your personal belongings with you• Use appropriate language
<ul style="list-style-type: none">• Keep belongings in their spot• Keep feet/bags out of the aisle• Close all windows before exiting

**THE SIMPLE
COMPLIMENTS MEAN

Golden Spoon
4th Grade

Silent Slippers
3rd Grade

Healthy Hornet
2nd Grade

Congratulations to our **October** Students of the Month

Christina Opperman: Christina is a very hard working student. When she sets a goal, she works very hard to achieve it. Christina is a wonderful friend in the classroom and does a great job at following the PBIS rules at school. She is helpful, caring, and honest. Christina is in Mrs. Cathy's Kindergarten class and the daughter of Michael and Cassondra Opperman.

Gracson Roberts: Gracson is a very kind and respectful student. He always tries his best and gives his very best work, and he works very hard at everything he does. He always has a smile on his face and is a great addition to our first grade class this year! Gracson is Mrs. Okey's 1st Grade class and the son of Allie Roberts and Nic Roberts.

Hudson Bunders: Hudson is a great classroom role model and I appreciate the choices he makes. He listens, follows along, participates during lessons, and turns in quality work. Hudson was recently in the school production of The Wizard of Oz. He played a munchkin and a flying monkey. Hudson is in Ms. Boylen's 2nd grade class and the son of Ryan and Misty Bunders.

Kendra Mitchell: Kendra works hard every day for me. She helps me without even being asked and is kind and helpful to her friends. She took on the task of untangling all of the chromebook charger cords without prompting, which was greatly appreciated. Kendra always gives 100% in all areas and doesn't complain. Kendra was also part of the Lullaby League in the school production of The Wizard of Oz. Kendra is in Mrs. Martin's 5th grade class and the daughter of Matt and Shelby Mitchell.

(Middle School) Brynnlee Benoy

Brynnlee is an outstanding student that is very helpful and respectful to her peers and teachers. Her little acts of kindness toward staff and students have not gone unnoticed. She is a role-model for her friends and always puts forth her best effort. Brynnlee is in 7th grade and the daughter of Kelly Strickfaden and Chris Benoy.

(High School) Lizzie Bird

Lizzie has taken on so many responsibilities during her senior year. She is a model student and reliable. From Hornet Council to athletics, Lizzie always does her very best. She even took on the Lead role as Dorothy in our Hornet House Production of the Wizard of Oz. Lizzie is a senior and the daughter of Seth and Jessie Bird.

**HORNET
PRIDE**

A NOTE FROM THE ATHLETIC DIRECTOR MR. BUNDERS

Winter sports are here and we are prepared to have great seasons at all levels. Please watch social media, check the school calendar often and communicate with your student-athletes about games, schedule changes and practices. Finally, please remember we follow all protocols of the hosting school. Please be prepared to wear a mask at some venues as we travel.

THE SCIENCE CORNER

Science Club is holding a free will donation (for a homemade thank you veterans button) for the month of November. They held the first event during the Veterans Day program and will be hosting more at home basketball games for the month of November. All proceeds will be donated to the Freedom Honor Flight program. Science club members had a personal connection with this program, as some of the club members had relatives that participated in this event and after learning about their experience while in Washington D.C., they wanted to give back to the amazing program. If you are interested in the program or would like to nominate a veteran to attend the Freedom Honor Flight, please see the link below. If you are interested in donating to the program or to Science Club, please stop by the school or call Science Club Advisor Mrs. Reichmann 875-5311 ext. 265.

Science Club is also hosting the Giving Tree again during the month of December. It will be a small tree in the Hornet's Nest lobby decorated with ornaments that have an item to be donated on them. Science Club chose Ridgetop Rescue as their organization to donate to this year. All items that are dropped off under the tree will be delivered to Ridgetop Rescue sometime before Christmas break. If you are interested in donating, please check out the tree during any home boys or girls basketball games or contact the school or Science Club advisor Mrs. Reichmann 875-5311 ext. 256.

HOSA-Ronald McDonald Pop Tab collection for November and December with tallying done in the new year. Each elementary class will be collecting and then we will weigh the tabs and the class with the most weight will win a party or games with HOSA members. The individual student with the most weight will win a prize. This was a huge success when we did the competition 2 years ago. Please save your pop tabs and send them in with your child in a ziploc bag to be delivered to his/her teacher. Please include your child's name and grade. Middle school students are welcome to participate as well, however no party or prizes will be given to grades 6-8 only pop tab collections. We will also have a pop tab drop box at area businesses as well. Thank you for your support with HOSA's service project.

Wauzeka-Steuben Digital Media Class Helps Santa

Santa and his elves are busier than ever, so they asked the Digital Media Class to help them during this busy holiday season.

Santa's sleigh is in need of repair and the elves are still busy making toys, so the Digital Media class volunteered to help! Let's work together to ensure Santa can make the long trip this Christmas.

For just \$5.00, you can receive a personalized letter from Santa Claus for a child. Please complete the information below and return to your child's teacher or the W-S School office. (301 E. Main St., Wauzeka, WI 53826 Attn: Digital Media Class) Santa ensures the letter will be received before Christmas.

If you have any questions, please contact Alissa Mullikin, Digital Media Studies teacher, at 608-875-5311 ext. 268 or mulliali@wauzeka.k12.wi.us.

All proceeds will be donated to Rivers & Bluffs Animal Shelter

December 2021

Holiday Competition

This year, the school will be hosting an online holiday decorating competition. There will be four categories in total:

Gingerbread house
Christmas tree
Cookie decorating
Snowman

To enter, email Mrs. Mullikin at mulliali@wauzeka.k12.wi.us a picture of any of the four categories by Dec. 15th. Feel free to enter in multiple! The pictures will be posted on the schools Facebook and all community members can vote by liking the post they think should win. Winners will be decided by the amount of likes, so be creative! Prizes will be given to the first place winners in each category. Good luck to all!

The Joke Corner

1. Why did the student eat his homework?
2. Why did the cookie go to the doctor?
3. What kind of shoes do all spies wear?
4. What creature is smarter than a talking parrot?
5. Where do you go to learn how to make banana splits?

Answers

5.) Sundae School, 4.) The spelling bee, 3.) Sneak-ers, 2.) Because he felt crummy, 1.) Because his teacher said it was a piece of cake.

How to Make a Snowflake out of Paper!

Fun fact: All snowflakes have 6 sides!

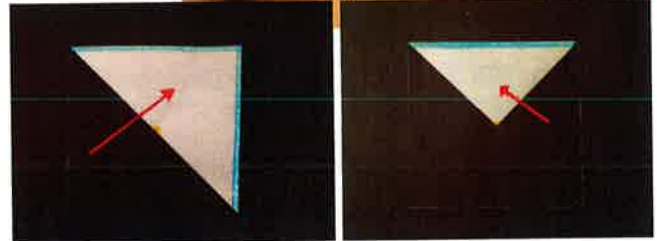

Step 1 - Begin with a square piece of paper.

You can make a square out of a rectangular piece of paper by taking one corner and folding it down to make a triangle, and then cutting off the excess like shown.

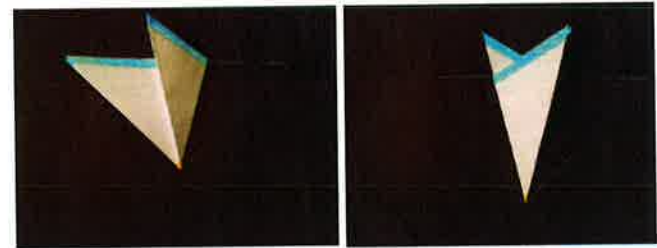

Step 2 - Fold the paper in half diagonally

(Fold diagonally to make a triangle.)

Step 3 - Fold in half again

Fold the larger triangle in half to make a smaller triangle.

Step 4 - Fold One-Third of the triangle

Take the right side of the triangle and fold it into a third like shown in the first picture.

Step 5 - Fold One-Third again

Take the left side of the triangle and fold it over top of the right, try to make the lines match up like in the second picture!

Step 6 - Cut of the top at an angle

At this step you flip your paper over and cut off the top.

Step 7 - Use the bottom piece to shape it!

The best part! Take the bottom piece and cut little triangles or other designs into the corners! When you are done cutting, open it up, and then there you have it, your very own snowflake!

Community News & Activities

301 E Main St Wauzeka, WI 53826

December 2021

The Wauzeka-Gran Grae Cemetery Association has been in existence for many years. Our committee is responsible for the upkeep of the Wauzeka Cemetery on Hwy N and the Gran Grae cemetery. We hold two committee meetings annually and host the Luminary on Memorial Day. The Luminary is our only fundraiser. The money from the luminary helps pay for the mowing and the weed eating of the cemeteries. We also get funds from donations and from burials. We host two cemetery cleanup days a year.

Many of our committee members are retired community members. We are seeking new and younger community members who are willing to join the team and who will be willing to step into leadership positions when current members are ready to resign. If you are interested in joining our group, please call Suzette Ray at 608-875-5505, Kathy Martin at 608-875-5101, or Jim Hazen at 608-875-6403.

VILLAGE OF WAUZEKA BOARD MEETING

November 1, 2021

The meeting was called to order by President Gary Gundlach at 6:30 pm. Verification of proper posting was given and roll call was taken with Ryan Bunders and Larry Zeeh absent. A motion was made by Travis Lomas and seconded by Randy Mara to approve the minutes of the October 4, 2021 regular board meeting. Motion carried.

A motion was made by Travis Lomas and seconded by Tom Mullikin to approve Payment Request #1 in the amount of \$112,320.00 to Rule Construction for the Boat Launch Project. Motion carried.

A motion was made by Tom Mullikin and seconded by Travis Lomas to approve Payment Request #3 in the amount of \$163,347.75 to Rule Construction for Stormwater Improvements. Motion carried.

Nick Zeeh gave the waterworks report.

A motion was made by Randy Mara and seconded by Bill Kapinus to apply for MSILT supplement funding for South Dousman Street repairs including pedestrian facilities. Motion carried.

A motion was made by Tom Mullikin and seconded by Randy Mara to approve a bid in the amount of \$9,130.00 from Atkinson Excavating to repair the ditch at the corner of E Third Street and Dittman Hill Road. Motion carried.

A motion was made by Bill Kapinus and seconded by Tom Mullikin to pay the bills as approved by the finance committee. Motion carried.

A motion was made by Bill Kapinus and seconded by Tom Mullikin to adjourn at 7:31 pm. Motion carried.

Phyllis Groom, Village Clerk

District News & Information

301 E Main St Wauzeka WI 53826

December 2021

School District of Wauzeka-Steuben, in accordance with Title IX of the Educational Amendments of 1972 and other Federal and State regulations, hereby declares that it is committed to the principle of equal education and employment opportunity and, accordingly, does not discriminate as to sex, race, color, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Any inquiries or complaints alleging non-compliance with Title IX of the Educational Amendments of 1972 or other Federal and State civil rights or nondiscrimination regulations shall be referred to District Administrator Mr. David Alexander at the School District of Wauzeka-Steuben, 301 E. Main St., Wauzeka, WI 53826, (e-mail) alexadav@wauzeka.k12.wi.us (call) 608-875-5311 ext. 214 and/or Jamie Nutter, Title IX Coordinator of the School District of Wauzeka-Steuben, at Cooperative Educational Service Agency #3, 1300 Industrial Drive, Fennimore, WI 53809, (call) 1-608-822-2148 (e-mail) jnutter@cesa3.org.

Note: All career and technical education opportunities will be offered on a nondiscriminatory basis (without regard to race, color, national origin, sex, disability, etc.) All students in qualifying grades are eligible for enrollment. For further information please contact District Principal Tiffany Dums (608)875-5311 ext. 211 or dumstiff@wauzeka.k12.wi.us.
