## MEET THE “BUZZ” CREW

This semester the digital media class has gained and lost some students. Mitchell Colson, a senior, left us, but we gained three new students- Caydon Lomas, McKenzie Olsen, and Satine Cox. The class has been working hard on doing birthday and staff write-ups, typing up newsletter articles, and recording videos and taking photos for the new Friday recaps. The recaps will be posted on the school’s Facebook so the community can see what the school did over the week. So far everybody in this class has gotten a lot done, and they are excited to continue to work on the monthly newsletters as well as come up with some new ideas!

Pictured from left to right are Caydon Lomas, Melanie Mullikin, Jayda Ralph, Satine Cox, and McKenzie Olsen.

## PBIS Positive Behavior Intervention & Support

During PBIS this month, we reviewed expectations in the cafeteria. We talked about using good manners, using a voice level 1 or 2, and keeping our hands to ourselves. Mrs. Debbie presented Math 24 awards, and we ended with a frisbee game to practice different voice levels. The word of the month is “Strive,” as we strive to be safe, respectful, and responsible.

### Cafeteria

- Walk
  - Wash hands/use sanitizer
  - Keep your hands and feet in your personal space
  - Swallow your food before talking
- 
- Say please and thank you
  - Use good eating manners (chew with your mouth closed, use utensils and a napkin)
  - Invite others to sit with you if they don't have someone to sit with.
- 
- Keep your food to yourself
  - Keep your area clean
  - Use a level 1-2 voice

## Congratulations to our **January** Students of the Month

**2nd Grade: Reid Mitchell.** Reid is a very responsible student. He takes pride in completing his work in a timely manner. He also keeps his desk and folders neat and organized. Reid is also a very respectful student. He is polite and uses his manners. He helps his classmates and treats everyone kindly. Reid is a great student who makes many great choices throughout the school day. Reid is in Ms. Boylen's 2nd grade class and the son of Amy and Bart Mitchell.

**3rd Grade: Ellasyn Sims:** Ellasyn always comes to school prepared and on time. She completes her work with great quality and takes responsibility for her own learning. She makes the most of work time without having to be redirected. She also has made nice academic gains throughout the course of the school year. Ellasyn is very kind and a great role model for others. She is very positive and always eager to learn. She always follows the PBIS expectations which sets a great example for all. Ellasyn is in Mr. Smith's 3rd grade class and the daughter of Christine & A.V. Roth and Robert Sims.

**4th Grade: Taylin Martin.** Taylin is such a hard worker in school. She puts her maximum effort into every assignment. She asks for help when she needs it and consistently completes her homework assignments and puts her best effort into them. Taylin also shows respect to others and is considerate of others' learning needs. She is a great role model on how to be safe and responsible in and outside of the classroom. She's a great example of what a Wauzeka Hornet should strive for. Taylin is in Mr. Cornell's 4th grade class and the daughter of Mellisa Martin and Joe & Kalli Martin.

**5th Grade: Tess Pitzer.** Tess is always a hard worker, no matter what the task might be. She is dependable, organized, responsible, and shows effort in all she does. When something is difficult for Tess she keeps trying without getting upset or giving up. She isn't afraid to ask questions for clarification and participates and listens in class. Tess is in Mrs. Martin's 5th grade class and the daughter of Ed and Christa Pitzer.

## Congratulations: **January** Middle School Students of the Month

**8th Grade: Wyatt Graney.** Wyatt has worked very hard this last month in all of his classes. From turning in work on time to having a positive attitude in class, Wyatt has shown significant improvement as an all-around student. He has participated more in class and even encourages others to do the same. Wyatt is in 8th grade and the son of Keshia Rosauer.

**8th Grade: Ariana Fish.** Ariana consistently puts forth her best effort in all of her work. She shows great responsibility and organization and always treats her classmates and teachers with kindness and respect. Ariana is in 8th grade and the daughter of Joseph Fish and Bette Manders.

## Congratulations: **January** High School Students of the Month

**Freshman: Savannah Swatek.** Savannah works hard to do the best that she can in and out of class. She asks for help when needed and is a pleasure to have in the classroom. Savannah is a Freshman and the daughter of Eric and Stacy Swatek.

### HORNET PRIDE

## SkillsUSA News

On January 28th, SkillsUSA had their second competition at Southwest Tech. There were a total of 11 medals earned. In middle school, Will Zander and Emma Steinhorst placed 2nd in Team Engineering. Elyse Simms placed 1st, Jazzmine Walters placed 2nd, Hayley Mitchell and Mallory McCullick placed 3rd in CO2 Dragster. For high school, Carson Redman and Blake Mitchell placed 3rd in Team Engineering, Jonah Klema placed 3rd in Welding Sculpture, Logun Bunders placed 1st and Ruger Paetz placed 3rd in CO2 Dragster.

Pictured left to right front row: Melanie Mullikin, Emma Steinhorst, Jazzmine Walters, Mallory McCullick, Hayley Mitchell, Elyse Sims, Bentley Dums, Justyn Rutherford, Josh Martin, Cody Wagner, Landon Opperman. Back row: Will Zander, Emerson Baka, Blake Mitchell, Paul Krachey, Gabe Kapinus, Jonah Klema, Joseph Mezera, Logun Bunders, Cohen Redman, Parker McCullick, Ruger Paetz, Andrew Udelhoven, Ben Bird, and Carson Redman.

## FCCLA NEWS

Congratulations to Emma Kapinus on receiving silver at the FCCLA regional competition at WTC in LaCrosse! Emma will be advancing to the State Leadership Conference at the Kalahari in April in the Professional Presentation category. Congratulations Emma!

---

## MATH 24 TEAM COMPETES

The 4th and 5th grade Math 24 teams traveled to Southwest Tech to compete in a contest. The 4th grade team scored 189 points and consisted of, from left to right, Arabella Redman, Remington Haas, and Lily Rutherford.

The 5th grade team placed 4th out of 13 and consisted of, from left to right on the second picture, Kendra Mitchell, Matthew Zinkle, Brody Bunders, and Oaklyn Kilburg.

# FFA NEWS

Congratulations to these great FFA members who participated in the LDE Speaking Contest in Boscobel February 7th. Lily Mitchell placed 3rd in Extemporaneous Speaking. Parker McCullick participated in the Employment Skills contest. And our middle school quiz bowl team placed 3rd which included Macy Mitchell, William Zander, Clint Mitchell and Molli Hooker.  
Great job members!

Macy Mitchell, Will Zander,

# 2022-2023 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

## INFORMATION FOR PARENTS

**You may apply for open enrollment from February 7-April 29, 2022.**

### **What is Public School Open Enrollment?**

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

### **How and when may parents apply?**

The open enrollment regular application period for the 2022-23 school year is from February 7-April 29, 2022. The application period closes at 4:00 p.m. on April 29, 2022. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

### **Can I apply to a virtual charter school under open enrollment?**

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

### **Can parents appeal if an application is denied?**

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

### **Who may participate in open enrollment?**

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

### **Can an application be rejected?**

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

### **Can a resident district prevent a pupil from leaving?**

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

### **Must pupils reapply every year?**

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time— at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

*(continued on next page)*

## **Is there a cost for parents to participate in the open enrollment program?**

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

## **Who is responsible for transportation?**

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

## **Can a parent select a specific school in the pupil's nonresident school district?**

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

## **Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?**

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

## **IMPORTANT OPEN ENROLLMENT DATES**

### **February 7 – April 29, 2022**

Parents must submit applications online or directly to the nonresident school district.

### **June 10, 2022**

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

### **June 17, 2022**

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

### **June 24, 2022**

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2022-23 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.

# National Developmental Disabilities Awareness Month!

March was declared as National Disabilities Awareness month in 1987. This class of disabilities can refer to impairments in learning and behavior, such as autism, attention-deficit/hyperactivity disorder, and impairments in physical and/or intellectual

functioning such as cerebral palsy, spina bifida, and down syndrome. March is a time to take extra steps to raise awareness and support individuals with disabilities while celebrating their contributions to society.

Developmental disabilities affect approximately 17% of children in the U.S.

What can you do to spread awareness and positivity about developmental disabilities?

National Disabilities Development Awareness Month can be celebrated and promoted by wearing clothing with the colors yellow and blue.

March is  
**Developmental  
Disabilities**  
Awareness Month

# Paper Plate Leprechaun

## What You Need

- ★ Paper Plate
- ★ Green, Black, and Yellow Construction Paper
- ★ Orange Paint or Marker
- ★ Black Sharpie
- ★ Scissors
- ★ Glue

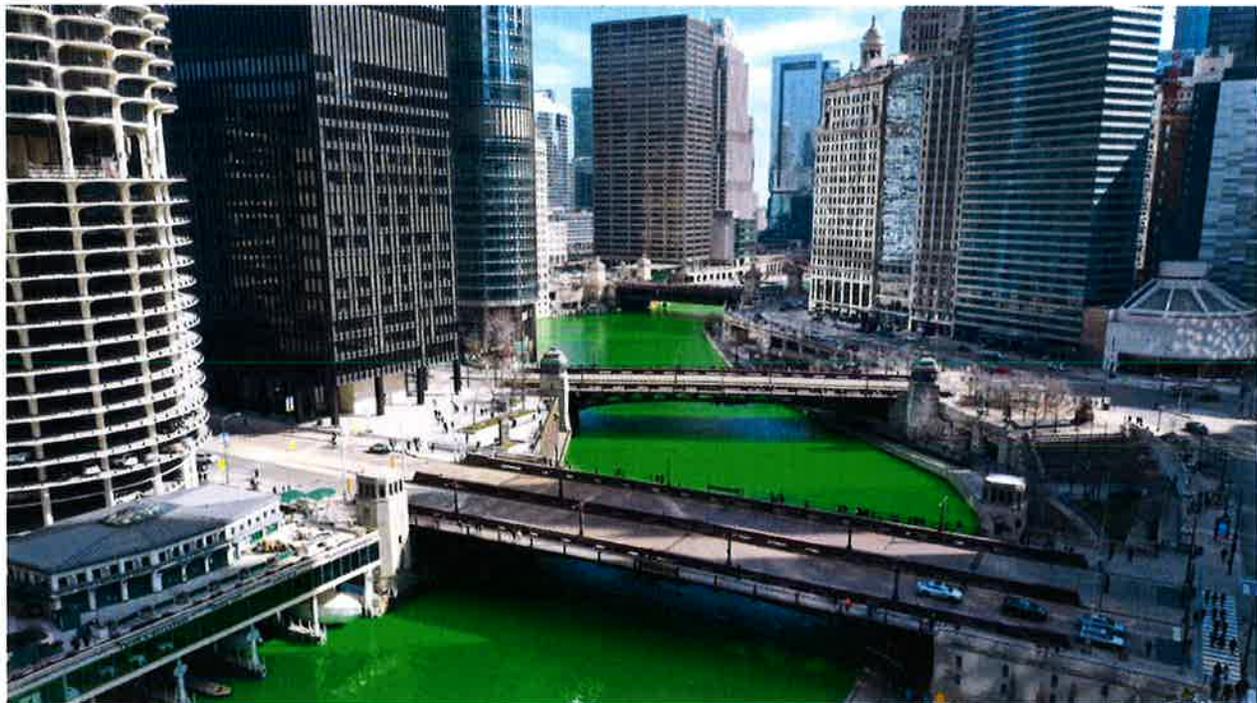

1. Turn the plate upside down, start coloring or painting the outside of the plate orange. This will be the beard/hair. (reference picture below)
2. Make a hat out of green, black, and yellow construction paper and glue it to the top of the paper plate! (reference picture below)
3. Draw a face with the black sharpie in the middle.

# History Behind Chicago's Famous Green River

Have you ever seen Chicago's Green River and wondered how it gets like that or why they do it?? Well the river is made green by lots of green dye and is only done on one day throughout the year. That day is Saint Patrick's Day. It is done on this day because Saint Patrick's Day is notoriously known for the color green and leprechauns. The story behind the river was that one day a plumber accidentally spilled green dye into the river and the mayor of Chicago saw it and said that they should do that for Saint Patrick's Day every year. It later was decided that they would do it every year from there on out because he was a huge Saint Patrick's fan.

# National Women's History Month

March was named 'National Women's History Month' in 1987. Since then, women's contributions have been celebrated during that month which is very important since women did have a huge impact on the United States and our history. Although many people celebrate this, not many know the history of how it was thought of.

In 1978, a school in California had been celebrating women's accomplishments for a week long every school year. During this week, they would give presentations to dozens of other schools, held a parade downtown, and hosted a 'Real Woman' essay contest. This had quickly caught on at other schools, which then caught President Jimmy Carter's attention. It didn't take long for Jimmy to declare the week of March 8th as Women's History week. It wasn't until six years later that the entire month was dedicated towards important women in history since the National Women's History Project went up to Congress and petitioned for it to be the entire month.

Although most people would think that there are no ways you can celebrate this month, there are plenty! You could spend your time educating yourself and others by sharing posts or pictures on social media. Supporting businesses or other non-profit organizations that are run by women is also a very good idea and is easy to do. Another very easy idea to do is gather with some friends and watch movies directed by women or some female-empowering shows. This month is actually really simple to celebrate, so it is important to take the time to do so.

Women like Susan B. Anthony, Rosa Parks or Alice Walker are all often brought up during this time. However, there are plenty of other women that need some recognition as well! Below is a list of ladies and their accomplishments that are not talked about as much, pictured left to right.

**Clara Barton:** founder of the Red Cross, organized nursing programs during the Civil War.

**Sarojini Naidu:** first Indian woman president of the Indian National Congress, political activist.

**Mary Church Terrell:** founder of National Association of Colored Women, civil rights leader.
