Accounting Trip

The accounting students, from funds provided through the Accounting Career Awareness Grant through the WICPA, were able to go on an overnight visit February 23rd-24th to Madison. There they met with the Director of Professional Programs in Accounting at UW-Madison. She explained the different jobs you can have in accounting and the different coursework needed for accounting. That night the students attended the musical Hairspray at the Overture Center. The next morning the students met with the owner of Exact Accounting & Financial Services. He described what he does in the public sector of accounting and what different jobs he has had. The students had a great time and we hope to make this a yearly event for the accounting students!

“Word of the Month “Encouragement”

You know what we did? Can you guess?
Celebrated Seuss-style for PBIS.
Have you wondered? Have you Heard?
“Encouragement” was our brand new word.
We should encourage each other day after day.
We practiced at school with a class egg relay.
Always remember, each day is a test,
And it will be okay so long as you do your best.

Way to Go!

Congratulations to our February Students of the Month

1st Grade: Isabel Buck

Isabel is a great participant during whole-group instruction, always gives her best effort, uses her work time effectively, and always hands in her best work. Isabel is a very kind and respectful girl who always includes all of her friends. Keep up the great work Isabel! Isabel is in Mrs. Okey's 1st grade class and the daughter of Ken and Emily Buck.

4th Grade: Lahaina Huber:

Lahaina is a very fun and energetic student that puts her maximum effort into every assignment. She asks for help when she needs it, spends her extra time studying for quizzes, and most importantly recognizes her own weaknesses. She is definitely a leader in and out of the classroom. Her engagement has increased and her willingness to succeed is contagious. She has grown to be an exceptional student academically and behaviorally. She's a great example of what a Wauzeka Hornet should strive for. Lahaina is in Mr. Cornell's 4th Grade class, and the daughter of Bob and Jen Huber.

5th Grade: Oaklyn Kilburg

Oaklyn's biggest strength is her kind-heartedness. Oaklyn goes above and beyond to make sure others feel included. She isn't afraid to tell her friends when they are doing something that isn't right and praises others when they are doing what is right. She is self-less, kind, smart, and stays true to who she is. Oaklyn is in Mrs. Martin's 5th Grade class and the daughter of Kevin and Kelly Kilburg.

5th Grade: Brody Ray

Brody has really stepped it up this past month. He has become a role model in our room by doing what is asked of him and reminding others to do the same. He continues to work extremely hard on his work and participates all the time. When Brody does need to be redirected, he does it the first time he is asked and does it respectfully. Brody is in Mrs. Martin's 5th grade class and the son of Shauntelle Ray and Ryan Lund.

Congratulations: **February** High School and Middle School Students of the Month

7th Grade: Lauren Otte

Lauren has made leaps and bounds this school year. She consistently puts her all into her work. She asks for help when needed, and she is always willing to participate in class. Lauren is very kind-hearted and is a great example of what it means to be a good friend. Lauren is in 7th Grade and the daughter of Krystal Nagel and Joseph Otte.

8th Grade: Molli Hooker.

Molli always has a positive attitude and is kind and accepting of everyone. She is willing to help her peers and is a great role-model for others. Molli works very hard in class and participates in various organizations. Molli is in 8th Grade and the daughter of Staci & Josh Wilson and Aryn Hooker.

Sophomore: Cohen Redman

Cohen is always challenging himself to do the best in every class. He uses his free time wisely and completes tasks on time. Cohen maintains a positive attitude and is always respectful. Cohen is a sophomore and the son of Craig & Angie Redman.

Junior: Grace Zinkle

Grace works hard in class, pushes herself to complete all work and is becoming a leader with her peers. She works to her potential and shows respect to her peers and teachers. Grace is a Junior, and the daughter of Ryan & Kym Zinkle.

Maddy Reichmann also received Conference Player of the Year, for the second year in a row!

Caydon Lomas, a junior, received 1st Team all Conference.

Seth Bunders, a junior, received 1st Team All Conference along with Conference Player of the Year.

Jonah and Isaac Reichmann, both seniors, received Honorable Mention.

Garett Kapinus, a senior, received 1st Team All Conference. Garett also received the Sportsmanship Award.

Both Coaches Isaiah Okey of the boy's teams and Ben McCullick of the girl's team were awarded Coach of the Year!

CHECK OUT THE ART!

At the Prairie du Chien Memorial Library for Youth Art Month (for the months of March and April) some Wauzeka-Steuben High School artwork will be on display in the art gallery!
Go check it out if you have time.

CONGRATS MADDY!

A very deserving shoutout goes to Senior Maddy Reichmann on her huge accomplishment in this year's basketball season. Maddy was named to the Division 5 Girls Basketball All-State

Team! Her hard work and dedication not only catches the attention of this school and community, but also many other districts around the state! A Wissports.net article states

the following, "Maddy Reichmann, an NCAA Division III UW-Platteville commit, led Wauzeka-Steuben to a regional final and a 21-6 overall record. The 5-5 point guard averaged 16.7 points, 6.3 rebounds, 4.5 assists, and 2.4 steals per game for coach Ben McCullick and the Hornets. Reichmann, the Ridge & Valley Player of the Year, scored 1,487 points in her career." We are so proud of the success Maddy has led the program to in the last 4 years and we wish her the very best of luck in the future of her basketball career!

BATTLE OF THE BOOKS CONTEST

The statewide Battle of the Books program is designed to promote a love of reading among students. The students read a variety of twenty books set up by the state committee and remember information about the plots, characters, and settings of the books. The program starts during the summer and ends with a state battle competition at the end of February. We had a good group of elementary and middle school students who participated this year, and they all accomplished a lot! Out of 123 schools statewide, the middle school placed 51st with 230 points! The elementary school competed against 213 other schools in Wisconsin, and did a great job representing ours.

2022-2023 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

INFORMATION FOR PARENTS

You may apply for open enrollment from February 7-April 29, 2022.

What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

How and when may parents apply?

The open enrollment regular application period for the 2022-23 school year is from February 7-April 29, 2022. The application period closes at 4:00 p.m. on April 29, 2022. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Can parents appeal if an application is denied?

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

IMPORTANT OPEN ENROLLMENT DATES

February 7 – April 29, 2022

Parents must submit applications online or directly to the nonresident school district.

June 10, 2022

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

June 17, 2022

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

June 24, 2022

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2022-23 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.

April 2022

Do you know your April?

Fun Facts

- ★ April is named for the Greek goddess of love, Aphrodite.
- ★ April is Humor Month, so laugh it up!

Historical Events

- ★ America's first astronauts were announced by NASA on April 9, 1959.
- ★ The first Webster Dictionary was copyrighted by Noah Webster on April 14, 1828.
- ★ The Titanic sank on April 15, 1912.
- ★ Our first President George Washington was inaugurated on April 30, 1789.

Special Dates

- ★ The first day of April is April Fools Day, when children and grown-ups play jokes on one another.
- ★ April 2 is Light It Up Blue for Autism Day and the whole month is Autism Awareness Month.
- ★ This year, Easter will be celebrated on Sunday, April 17, 2022.
- ★ April 22 is Earth Day.

Autism Awareness Day

Wear blue on April 2nd to show your support for autism awareness! That day is dedicated to educate others on autism and celebrate those who were born with it. Autism Spectrum

Disorder is a developmental disorder

that can cause problems with communication, behavioral and other social aspects in life. It is actually often very misunderstood, so it is important to educate yourself and others about it. Some people assume that those who deal with this are nonverbal, lack feelings and humor or do not want to communicate. These are not true, though, since autism is a spectrum and affects every person differently. It is important to remember that people with disabilities are the same as everybody else, and they deserve the same respect and love. Take some time that day to learn or teach about disabilities, and show some love to those who have them!

LOOKING FOR CANS!

Mike Mullikin (pictured below) and his grandson, Wyatt Mullikin, have been volunteering their time to collect and store aluminum cans from the Wauzeka collection site. 100% of the money raised will go back into our school, village and youth programs.

We would like to encourage the people of Wauzeka-Steuben School District to participate by donating all aluminum cans (no aluminum foil) to the Wauzeka Collection. Site located west end of town, HWY 60, near Team Engineering 210 Guard Street.

Every can counts!
