PBIS ASSEMBLY

Some elementary students were awarded an award for being a Responsible Rabbit, the Behavior Buddy for the month. The new animal for this month is Respectful Rhin!

STUDENTS OF THE MONTH - Elementary December 2022

Khloe Running (1st Grade), daughter of Shawn and Kristin Running. Khloe always includes everyone and is very kind to all her peers. She has been a very good helper to Mrs. Okey and other classmates, going out of her way asking if she can help others out. She does the right thing when no one is watching. Khloe has been making great gains in her school work, and Mrs. Okey is very proud of how hard she has been working!

Peyton McCullick (2nd Grade) daughter of Mathew McCullick and Lacy Shulka. Peyton is a kind, responsible, and respectful student. She uses work time wisely, turns in her best work, and is always willing to volunteer and participate in class. She has been a great classroom role model the last few months. She is a pleasure to have in class and a ray of sunshine.

Blake Delgado (3rd Grade) son of Lisa Frigo. Blake is very deserving of this award as he has been working extremely hard in and out of the classroom. Blake has done a nice job this month exhibiting traits of a great role model. Mr. Smith can always count on him to do what is expected and when it's expected. He has been completing his homework on time with great quality, and he is always willing to lend a helping hand to those in need. He also does a nice job checking for his understanding by asking questions which is taking on responsibility for his own learning. Blake is a great friend who treats everyone with the same amount of respect. For these reasons, Mr. Smith believes that Blake is very deserving of SOTM Honors!

Taylin Martin (5th Grade) daughter of Joe Martin and Mellisa Martin. Taylin is respectful, responsible, and kind to others. Mrs. Martin can count on her to do what is expected in and out of class and to make appropriate choices no matter who she is with. She works hard in class, and turns in work that is done neatly, on time, and with great effort. Taylin is always willing to help out her classmates and other adults without being asked. All of these characteristics make her deserving of Student of the Month!

MS/HS STUDENTS OF THE MONTH

Alexa Martin (7th Grade) daughter of Travis Martin and Amanda Esser. Alexa is always organized and ready to learn each day. She is consistent in getting her work done on time. Her sense of humor is one of a kind and she always has the ability to make others smile. She always uses her work time wisely and puts great value on her grades.

Violet Mitchell (8th Grade) daughter of Bart and Amy Mitchell. Violet consistently works hard in all tasks she's given. She is a great role model for her classmates and shows excellent leadership qualities. She is always one to politely greet her teachers in the morning and to say 'have a good day' on her way out the door at the end of every school day. Violet is involved outside the classroom as well and does a great job balancing her extracurricular activities with her schoolwork. She is someone who shows up every day ready to listen and work hard and is therefore a pleasure to have in class.

Trisha Gillitzer (10th Grade) Daughter of Michael and Angela Gillitzer. Trisha excels academically. She is vocal in class by providing great insight in discussions. She is very respectful to others and positive social interactions with her peers.

Sierra Wojciechowski (10th Grade) daughter of Lucas Wojcieschowski and Elizabeth Ramos. Sierra is eager to learn and improve. She takes everything her teachers tell her to heart and works very hard. She has shown a lot of growth since the beginning of school. Sierra is kind and respectful, and she always tries her best in class. She is a joy to have in class.

ATTENTION ALL FUTURE HORNETS!

The School District of Wauzeka-Steuben will be conducting Child Development Day/4K screening and registration on Wednesday, March 8th, from 9:00 am to 5:00 pm at The School District of Wauzeka-Steuben. Parents should call the district office at (608) 875-5311 ext. 0 by March 1st to schedule an appointment if:

- Your Child will be four years of age by September 1, 2023 or
- Your child will be three years of age and is displaying developmental delays or
- Your child will be five-years old on or before September 1, 2023 and did not attend 4K at Wauzeka-Steuben.

Children must be four-years old by September 1, 2023 to be eligible to attend our 4K program. It is important to have children screened so that speech, learning, or developmental programs can be identified early. Please bring a copy of your child's birth certificate and a copy of his/her immunization records with you for the school records.

If you have any questions, please contact Mrs. Breia Cox at 875-5311 (ext. 235).

DECA District

On Saturday, January 7th, 5 students competed in District DECA competition and did a great job trying something brand new and representing Wauzeka-Steuben. Special shoutout to Lily Mitchell, who earned the Series Champion Award in Personal Financial Literacy! They will all be competing at the State competition February 27th-March 1st in Lake Geneva, WI.

BREAKFAST WITH SANTA

On December 18th, the DECA club held a Breakfast with Santa in the Doll Gym. The kids were able to meet with Santa, decorate some ornaments and cookies, and have a great breakfast provided by the DECA club. The club raised over \$600 to help them start up the club and compete in upcoming competitions.

ALL ABOARD THE POLAR EXPRESS!

On December 21st, the Spanish Club hosted the Polar Express. Students and families boarded the Polar Express and were chauffeured around Wauzeka to look at the lights. They arrived at Mr. Zeeh's house for hot chocolate and to meet with Santa. A special thanks to Santa, Nikki Watz for pictures, and everyone who made this event a fun and festive experience for our students.

SALVATION ARMY BELL RINGING

During the Holiday Party, members of HOSA, NHS, and DECA took time out of bowling or movie watching to ring bells for the Salvation Army.

Intro to Business Final

For their final project, the Intro to Business class had to create a lemonade and treat stand. With that they had to do a presentation to the class with many things such as business name and slogans, various advertisements, a business plan, SWOT analysis, and a Code of Ethics. They then had to make the products and sell them to the students and staff. The group who ended with the most profit was the winner! They enjoyed it and everyone enjoyed getting a tasty treat and refreshing lemonade!

FISHING CLUB CONTEST IN LANSING, IA

Fishing club participated in their first competition of the winter in Lansing, IA. Madison Evans scored the biggest fish, topping out at 36 inches! They all had a great time!

2023-2024 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

INFORMATION FOR PARENTS

YOU MAY APPLY FOR OPEN ENROLLMENT FROM FEBRUARY 6 – APRIL 28, 2023.

What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

How and when may parents apply?

The open enrollment regular application period for the 2023-24 school year is from February 6-April 28, 2023. The application period closes at 4:00 p.m. on April 28, 2023. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Can parents appeal if an application is denied?

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time— at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

IMPORTANT OPEN ENROLLMENT DATES

February 6 – April 28, 2023

Parents must submit applications online or directly to the nonresident school district.

June 9, 2023

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

June 16, 2023

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

June 30, 2023

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2023-24 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.

NATIONAL CREAM CHEESE BROWNIE DAY

Nothing can make your day better than a brownie with cheese cream on it. Therefore, these brownie lovers have a special day to celebrate their admiration. February 10, every year, is celebrated as National Cream Cheese Brownie Day.

Cream Cheese Brownies provide our body with a valuable amount of calcium, proteins, and nutrients. Not only this, but they also work as an efficient mood booster. They make you feel happy and comfortable. It is not suggested to overstuff yourself with it, but having a correct quantity of cream cheese brownie can make your day delightful.

Ingredients

Brownie Batter:

- 12 tablespoons unsalted butter cut into tablespoon-sized pieces
- ½ cup semisweet chocolate chips
- ½ cup natural cocoa powder
- 1 cup sugar
- ½ cup brown sugar light or dark, packed
- 2 large eggs + 1 egg yolk
- 1 teaspoon vanilla extract
- ½ teaspoon salt
- 1 cup all-purpose flour

Cream Cheese Swirl

- 8 ounces cream cheese softened to room temperature
- ¼ cup sugar
- 1 large egg
- ½ teaspoon vanilla extract

Instructions

- 1.** Preheat the oven to 350°F and spray a 7×11 pan with baking spray.
- 2.** Combine butter and chocolate chips in a large, microwave-safe bowl. Microwave for 30 seconds. Stir well and microwave again for another 15 seconds and then stir well again. Repeat until chocolate and butter are completely melted and well-combined.
- 3.** Add cocoa powder and stir well.

- 4.** Add sugar, stir until completely combined.
- 5.** Add eggs and then egg yolk, one at a time, stirring well after each addition.
- 6.** Add vanilla extract and salt and stir to combine.
- 7.** Add flour and stir until completely combined.
- 8.** Reserve ¼ cup of the batter and spread the rest of the batter evenly into the prepared pan.
- 9.** Prepare your cheesecake topping.

Cream Cheese

- 1.** Combine cream cheese and sugar in a medium-sized bowl. Use an electric mixer to beat until creamy.
- 2.** Stir in egg and vanilla extract. Stir until well-combined.
- 3.** Pour cheesecake over prepared brownie batter. Take your reserved ¼ cup brownie batter and drop/drizzle over cheesecake.
- 4.** Use a knife to swirl brownie batter and cheesecake together.
- 5.** Bake at 350°F for 25-30 minutes or until the center is set and a toothpick inserted in the center comes out mostly clean with a few fudgy crumbs.
- 6.** Allow to cool COMPLETELY before cutting and serving.

Can Collection Rally Call

With an amazing community effort and many volunteers, last year's can project almost filled one semi and raised \$2860!

Did you know that 100% of the funds went directly to Wauzeka-Steuben schools?!

Don't miss an opportunity to be a part of this simple project! Even the smallest donation can have a beneficial and significant impact on the lives of our community members, organizations in need, and the environment.

We have set a lofty goal this year of filling 2 semi loads, with the hope to further the outreach to the fire department, first responders, and Veterans Memorial in our community.

Where can you drop your can donations?

There are can collection/drop off sites at the Wauzeka Township recycling center, at Hwy 60 on CTY RD N, and we are working on setting up a third location in Steuben, where Jo's Bar used to be.

Every can collected is one step closer to filling those semis!

WITH YOUR HELP, WE CAN DO IT! Please, no aluminum foil Thank you!
