# PBIS ASSEMBLY

We held our October PBIS assembly for elementary. We recognized our September Students of the Month and our classroom winners for the Buzzing Broom, Silent Slipper, and Golden Spoon awards. Lastly, we introduced our Behavior Buddy for the month of October, Independent Owl. We talked about how it is important to try new things, solve problems, and do things on our own if possible, without asking for help first.

## Elementary Students of the month

Makena Huber (daughter of Bob and Jen Huber). Makena has shown in Kindergarten during the month of September how to listen to directions the first time they are given. Makena has also shown in the classroom how to follow our classroom rules and expectations. She knows her job at school and does it very well. She is a very good helper and role model to her peers in the classroom.

Everly Stuka (daughter of Derrick Stuka and Samantha Stuka). Everly comes in every day with a positive attitude and is excited to learn. She is a great friend to everyone in our class and follows rules inside and outside of the classroom. She is a great listener and participates in class. She loves learning new things and helping others.

Elijah Bartels (son of Jeff and Kari Bartels). Elijah is off to a great start in second grade. He is a great listener and is always willing to participate during lessons. Elijah is a responsible student who manages his time wisely. He is respectful and treats everyone with kindness. Elijah is a great classroom role model.

Peyton McCullick (daughter of Matthew McCullick and Lacy Shulka). Peyton has a positive attitude in the classroom and is always willing to help others when it is needed. She has a great sense of humor as well and is kind to all she encounters. She is always coming to school prepared and on time with her work completed with great quality which demonstrates great responsibility. She does an excellent job taking on responsibility for her own learning by asking questions when more explanation is needed for understanding. When given time in class to work, she always makes the most of that time and gets to work without having to be redirected and works with great stamina. She always follows the PBIS expectations where she is safe, responsible, and respectful which sets a very nice example for all. She is the epitome of a great role model and is very deserving of SOTM Honors!

Sierra Zeeh (daughters of Nick and Stephanie Zeeh). Sierra has been very helpful in the 4th grade classroom this year. She is a great resource for the substitute teachers. If the teacher has a question, Sierra is able to answer it for them honestly and she is very responsible and respectful during class. She is always prepared, follows directions, and has stepped up as a student leader.

Natalie Wojciechowski (daughter of Lucas Wojciechowski and Elizabeth Ramos) Natalie works hard in all areas. Selfless, caring, and hardworking are just a few ways to describe what a great student Natalie has been so far this year. She consistently puts the best interest of others ahead of her own. She is a friend to all and offers a helping hand to any student or teacher in need. Mrs. Martin is proud to have Natalie represent her fifth grade class as our Student of the Month for September.

The Golden Spoon was awarded to the 1st Grade for positive behavior in the lunchroom (using quiet voices, being respectful, listening to those in charge, always saying please and thank you, and clearing up after yourselves).

The Silent Slipper was awarded to the 3rd Grade for positive behavior in the hallway (being patient when waiting in line, walking quietly, minding personal space, and using polite words).

The Buzzing Broom was awarded to the 4th Grade for keeping a neat and tidy classroom, putting materials away, throwing trash away in the garbage can and recycling items.

# MS/HS Students of the month

Kendra Mitchell (7th Grade), daughter of Matt and Shelby Mitchell. Kendra is always someone you can count on to get things done. She is extremely organized and always willing to lend a helping hand to her peers and her teachers. Kendra does well to balance her extracurriculars and keep up with her schoolwork. She consistently treats others with kindness and respect.

Elyse Sims (8th Grade), daughter of Christine and AV Roth and Robert Sims. Elyse has come into school this year with a positive and energetic attitude. She jumped into the leadership role of 8th grade class president and has done a great job taking charge, leading, and getting things done, especially for homecoming. She is maintaining good grades in her classes and is a good role-model for her peers.

Avery Kilburg (9th Grade), daughter of Kevin and Kelly Kilburg. Avery does great work. Her work is always very high quality and she puts a lot of thought into her work and is always trying to be better. She consistently sets the bar high in all classes.

Emma Wall (11th Grade), daughter of Pat and Jackie Wall. Emma is always going above and beyond in the classroom. She submits everything on time and to a high degree and makes sure she gets caught up on anything she misses. She is kind and respectful to everyone and she is a hard worker.

# National Principals Month

This month around the US it is National Principals Month. This is a month to celebrate and to thank our principals for everything they do for us.

Let's show our principal that we appreciate her for the dedication and commitment that she has provided to the success of our school. Thank you to Mrs. Tiffany Dums for being an incredible Principal and helping with students and staff. Mrs. Dums Graduated in the year 2000 from Wauzeka-Steuben High School.

Mrs. Dums has been a Principal at Wauzeka-Steuben School for many years and has done so much to improve this school. She is welcoming to newcomers and is a very positive person. She always wants the students to smile and overall have a successful education.

Principals want their students to be engaged in a positive learning environment and provide them with a safe space to develop skills. They are responsible for daily school activities and leading the staff for a positive experience for student development. Principals have the most challenges to face, they have to make sure that the school is a safe place for students, making sure that their students are learning, and that the teachers are teaching. Overall this month is all about appreciating and thanking our principal for everything she has done to keep us safe and for providing us with a comfortable learning environment. Thank you Mrs. Dums for being the support we need to achieve our goals at the Wauzeka-Steuben School.

# Cross Country News

## Conference Cross Country Meet

On October 12, the conference cross country meet was held in River Ridge. It was rainy, cold, and slippery, but the runners did well. For the girls, Isabella Bunders earned first team all-conference. Natalie Wright, Emma Udelhoven, and Emma Wall all earned second-team-all-conference.

For the boys, Brett Wagner earned first team-all-conference and Nolan Reed earned second team-all-conference. The girl's team took home second place while the boy's team took home fourth place. Congrats to all runners!

## Field Trip To UW-Madison Meet

On October 13, the cross-country team took a field trip to Madison to watch the Nuttycombe Invitational, a DI college cross country meet. There they got to watch some of the best runners in the nation compete. It was an eye opening experience and everyone had a lot of fun despite the rainy, cold weather.

# CONGRATS TO THE 2022-2023 YEARBOOK TEAM!

Wauzeka-Steuben Named Jostens 2023 National Yearbook  
Program of Excellence

*Wauzeka-Steuben program recognized for dynamic and engaging yearbook.*

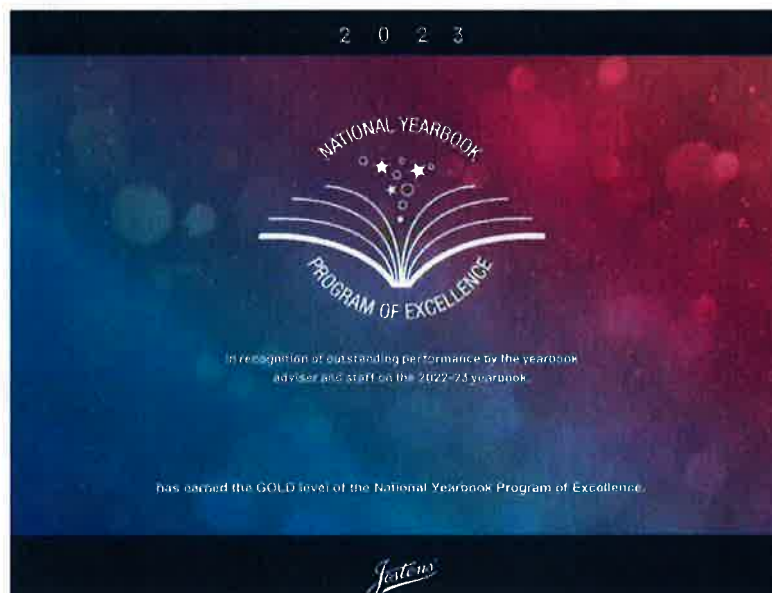

(Wauzeka, WI) – (September 25, 2023) – Jostens, the leading producer of yearbooks and student-created content, today announced that Wauzeka-Steuben’s yearbook program has achieved the Jostens 2023 National Yearbook Program of Excellence award at the Gold Level. The National Yearbook Program of Excellence recognizes engaging yearbooks that reflect a broad representation of the student body while helping students develop 21<sup>st</sup> century skills such as communication, collaboration, and information and communication technologies (ICT) literacy.

The 2023 Wauzeka-Steuben award-winning yearbook program was led by Grace Zinkle, Emerson Baka, Caydon Lomas, Carson Redman, Logun Bunders, Cameron Hurda, Morgan Berger under the direction of Anna Seamans, Wauzeka-Steuben yearbook adviser.

Jostens’ National Yearbook Program of Excellence Awards are presented twice a year, in spring and in fall based on the yearbook’s arrival date at the school. The award was presented to the Wauzeka-Steuben yearbook program for achieving defined criteria in between one and three of the following categories: creating an inclusive yearbook, generating school engagement, and successfully managing the yearbook creation process.

“Jostens is proud to recognize those individuals who have created an exceptional yearbook for their school and community,” said Tammy Whitaker, Jostens VP and COO Yearbook Division. “These schools did an exceptional job on multiple levels, despite the challenges presented by this school year. Yearbooks are a critical part of capturing and telling a school’s story, and Jostens is dedicated to supporting yearbook staff members as they do their important work.”

Founded in 1897, Jostens has produced school yearbooks for over 60 years. Schools rely on Jostens and their local Jostens representatives to provide a combination of journalism education and technology tools to deliver a learning experience that helps students develop 21<sup>st</sup> century skills in journalism, photography, writing and design, leadership and business while creating the permanent record of the school year. Jostens invests in state-of-the-art technology, best in class service, educational curriculum and award winning print manufacturing platforms to plan, design, build and produce yearbooks. Jostens is a trusted partner in the academic and achievement channel, providing products, programs and services that help its customers celebrate moments that matter. The company’s products include yearbooks, publications, jewelry and consumer goods that serve the K-12 educational, college and professional sports segments. Founded in 1897 and based in Minneapolis, MN, Jostens is a subsidiary of Platinum Equity and can be found online at [www.jostens.com](http://www.jostens.com).

## Wauzeka-Steuben hosts Honors Choir

The annual Six Rivers West Honor Choir is an event when all of the 7 schools (Wauzeka-Steuben, Potosi, Highland, Shullsburg, River Ridge, Casseville, and Belmont) bring middle and high school students to come together and sing. The choirs work with a clinician all day preparing 4 songs for an evening concert that takes place the same day. Students are able to meet other choir students from the area and have the opportunity to expand their music knowledge. It is a great experience for all the choirs to be able to work together in a mass choir, since most schools have small music programs. This year, Wauzeka-Steuben hosted the honor choir, and it was a great success as all the choral students and directors came to create music together.

## WAUZEKA – STEUBEN SCHOOL DISTRICT

*Notes from*

- It's that time of year when the weather is changing from day to day so please dress your children accordingly. Jackets and sweatshirts are good for layering and for some days hats and gloves are going to be needed. Thank-You Wisconsin!
- Just a reminder to all parents; if your child is sent home from school due to illness they must be feeling well and fever free for 24 hours without any type of fever reducing medications before returning to school or participating in after school activities.
- Influenza vaccinations were provided by Crawford County Public Health on October 9th for all students with a signed parental consent. If you would still like your child(ren) to receive a free influenza vaccine from the health department please call 608-326-0248 and set up an appointment. They will not be returning to the school. This year's vaccine, like most years, helps to protect against four different influenza viruses, two type A and two B. In the United States, at this time over 80% of confirmed cases are type A. The influenza vaccine is readily available this year at many locations including; your medical provider, WalMart, WalGreens, Boscobel Pharmacy and more.
- In November we will be completing VISION SCREENING using the PLUS OPTIX Vision Screener. As in years past the Lions Club volunteers will be assisting with this.
- We would like to THANK Dr. Colleen McCurry, Gundersen Boscobel Clinic, for again volunteering for being our school district Medical Advisor.
- Please remember any student that is needing to take medication at school, **prescription or nonprescription**, are required to have a medication consent form signed by a parent/guardian. For a prescription medication your medical provider must also sign this form or provide another document stating the name of the student, date of birth, medication name, dose and time. These forms are available on the schools website. This information may also be faxed to the school. All medications need to be provided to the school in their original container and be appropriate for age/weight.
