Mrs. Tiffany Dums
District Principal
Ext. 211

December 11, 2023

We have had a wonderful fall at Wauzeka-Steuben Schools! As a learning community, we are continually looking to improve student achievement in the classroom while also increasing opportunities for student involvement outside the classroom. The school report card is one resource we use to reflect on our strengths and areas for improvement.

The Department of Public Instruction (DPI) is required by state statute (Wis. Stat. 115.385) to generate a report card for every publicly funded school and district in the state. The report cards are intended to help schools and districts use performance data to celebrate successes and improve their efforts to prepare students for their futures. Report cards for each school and district in the state can be found online at: <http://dpi.wi.gov/accountability/report-cards>. I have included the first page of the report card for our district and each of our schools with this letter, but the remaining pages of each report card can be viewed using the website above.

The current school report card is primarily based on last year's performance during the 2022-23 school year. At the foundation of the report cards are four priority areas. Schools and districts receive a score for each priority area:

- **Achievement** - proficiency in English language arts (ELA) and mathematics on the annual state assessments
- **Growth** - year-to-year progress in ELA and math achievement
- **Target Group Outcomes** - outcomes for students with the lowest test scores: the Target Group.
- **On-Track to Graduation** - reliable predictors of how successfully students are progressing toward completing their K-12 education.

The priority area scores are aggregated into an overall accountability score, from 0 to 100. This score is displayed on the front page of the school or district report cards. It is important to note that the 0 to 100 accountability score is not a "percent correct" measurement. Based on its score, a school or district receives one of five rating categories, from *Fails to Meet Expectations* to *Significantly Exceeds Expectations*, as well as corresponding one to five stars.

As a district, Wauzeka-Steuben earned the distinction of "Exceeds Expectations" and ranked #1 amongst the 31 school districts in CESA 3 for the second year in a row!

I want to share these results with you because they help illuminate some of our successes, help pinpoint areas of focus in our district, and show that we are moving in the right direction.

Please let me know your thoughts and questions as they arise. I look forward to working with you to make 2023-24 a successful school year for your students!

Sincerely,

Dr. Gary Albrecht, District Administrator

PBIS ASSEMBLY

We celebrated our Grateful Gators, those students who are appreciative for the things and people they have in their lives and try to be grateful for something each day.

Silver Spoon-3rd Grade

Silent Slipper-1st grade

Buzzing Broom-5th grade

Elementary students of the month

Jonathan Pellock (Kindergarten), son of Amanda Pellock. Jonathan has done a great job this school year. He continues to work each day on being respectful and mindful of his actions. He has done a great job with verbalizing his needs and continues to get better each day. Mrs. Cathy is so proud of Jonathan's hard work!

Autumn Leinen (First Grade), daughter of Jeremiah and Nichelle Leinen. Autumn has been working very hard in class and is always a kind friend. She is respectful to friends and teachers and always has a positive attitude.

Banx Stowell (Second Grade), son of Doug and Sara Stowell. Banx consistently demonstrates a positive attitude and takes initiative to explore new opportunities. He actively takes responsibility for his learning and is always willing to lend a helping hand. Banx is respectful and thoughtful, making him a friendly and kind classmate. I appreciate Banx's persistent effort to make responsible, respectful, and safe choices throughout the school day.

Isabel Buck (Third Grade), daughter of Ken and Emily Buck. Isabel was a model student for the month of November because she is very grateful and appreciative for what she has. She has a wonderful attitude both in and out of the classroom, and is always willing to lend a helping hand without being asked. Isabel is kind to all she encounters and treats others how she would like to be treated in return. She is always coming to school prepared and on time with her work completed with great quality. She does an excellent job taking on responsibility for her own learning by asking questions when more explanation is needed for understanding. When given time in class to work, she always makes the most of that time and gets to work without having to be redirected. She always follows the PBIS expectations where she is safe, responsible, and respectful which sets a very nice example for all. She is the epitome of a

great role model and is very deserving of SOTM Honors!

Reid Mitchell (Fourth Grade), son of Bart and Amy Mitchell. Reid is such a delight to have in class. He is a student who wastes no time. He gets busy working on his assignments, participates in class, and follows instructions. Since his outstanding work habits as a student, he excels academically as well. On top of being a great student, Reid is also a great person. He's friendly, kind, and always helps others. He often volunteers to help out in the classroom. Reid is a student who exhibits the characteristics of being respectful, responsible, and safe. As a result, his classmates see him as a leader and someone they can count on. Reid's hard work, passion for learning, and desire to be great show why he's successful.

Trey Karnopp (Fifth Grade), son of David and Stacey Karnopp. Trey is a hard working polite student who strives to do his best in all areas. He is a good role model to his peers. Trey works hard to treat others with respect and to do what is right even when his peers aren't always making the best choices. Trey admits when he makes mistakes and works hard to correct his mistakes and to use that to improve himself. Trey completes his work on time and does it with effort and at grade level. Keep up the great work!

MS/HS students of the month

Paul Krachey (12th Grade), son of Troy and Kate Krachey. Paul is constantly working on something. He is often ahead in his work in class and has finished one national recognized certification already and is almost done with a much more extensive certification. He is enrolled in his 2nd year of the Pistons-to-Pathways program at Fillbacks in PdC and goes there every Wednesday night from 6-9pm for class. He was also in the play again this year too. He is always helping out kids in the shop and giving them pointers. He is a really good kid with a kind heart.

Brooke Mitchell (11th Grade), daughter of Bart and Amy Mitchell. Brooke is always eager to participate in class and is always respectful to staff and students. She has worked very hard with learning her music for both choir and the musical. She is also very involved in many organizations in school and is taking on leadership opportunities.

Hayley Mitchell (8th Grade), daughter of Scott and Jolene Mitchell. Hayley always puts forth 100% effort in all she does. She is involved in many athletics and organizations. She takes on leadership roles and is respectful to her peers and staff. Hayley comes to school with a positive attitude and always willing to help when needed.

Taylin Martin (6th Grade), daughter of Joe Martin and Mellisa Martin. Taylin is a hard worker. She comes to class each day prepared to learn. She actively participates in class and is always willing to help out her classmates. Her responsibility and positive attitude are what make her deserving of Student of the Month.

HOLIDAY CONCERT

The Wauzeka-Steuben school held a holiday concert on December 6th. The concert included grades 4K - 12th where they spread holiday cheer with songs of glee. Ms. Leffler has been the music director at Wauzeka-Steuben for two years. The children had started preparing a few weeks prior for this concert.

Pre-k - 12th wonderfully sang two songs per grade. The high school and middle school collaborated and sang beautifully together for a few tunes. While the high school had finished performing their last melody, the younger kids were preparing to serenade the crowd with the last song of the night, *We Wish You a Merry Christmas*. Thank you to the custodians, Mrs. Peer, and Ms. Leffler for making for a delightful night full of holiday spirit. Another huge thanks to the community for coming out and cheering the children on, sharing a few laughs, and showing your support. The kids had a wonderful time singing for everyone, where after they got to see and take pictures with jolly ole' Saint Nick..

Wauzeka-Steuben Personal Finance class achieves Blue Star Status

NEW YORK, N.Y. - Working in Support of Education (W!se) is pleased to announce that 150 high schools in its national network have earned the distinction of being named a Blue Star School for their students' outstanding performance on the 2022-2023 W!se Financial Literacy Certification Test.

This national standardized Test is administered to students after a course or unit on personal finance. Students who pass the Test become Certified Financially Literate™ and earn a W!se CFL™, demonstrating that they have developed sound financial knowledge and skills.

To earn the coveted Blue Star School award, a school must have achieved an 80% passing rate on our Financial Literacy Certification Test with at least half the students on a grade level OR a minimum of 10% of school enrollment having taken the Certification Test during the academic year 2022-23.

The Test is administered as part of W!se's award-winning Financial Literacy Certification program. Schools enrolled in the program teach a course or unit on personal finance using instructional resources from W!se, including a curriculum outline aligned to national and state standards, and then administer the Test. Since its introduction, the program has become integral to personal finance instruction in thousands of classrooms across the United States and is offered in 49 states.

'Congratulations to all Blue Star Schools for this national recognition of great scholarship,' said Dario Stipisic, W!se Financial Literacy Director. 'It's clear that students from these schools are prepared to develop a healthy relationship with personal finance.'

CONGRATS TO LAST YEAR'S PERSONAL FINANCE CLASS!

WAUZKA-STEUBEN SCHOOL BOARD MEETINGS 2023-24

January 15th	6:30pm	Regular/Library
February 19th	6:30pm	Regular/Library
March 18th	6:30pm	Regular/Library
April 22nd	6:30pm	Regular/Library
May 20th	6:30pm	Regular/Library
June 17th	6:30pm	Regular/Library

School Board agendas will be emailed to radio stations WPRE and KADR, to the District's website manager, and to the Clerk of the Village Board of Steuben for posting. Copies of the agenda will be posted at the front and rear doors of the school, at Peoples State Bank, the Wauzeka BP, and the faculty/staff lounge. The meetings will also be noticed in the school newsletters.

The above are scheduled school board meetings. Special meetings will be called as needed and posted locally.

Congratulations Coach McCullick!

With the victory over LaFarge, girls varsity Head Coach Ben McCullick earned his 200th Victory as the girls head coach. The players bought the coach a nice gift and one player said, "Coach McCullick always tries his best in teaching us things and he makes practices and games fun and exciting." Congratulations Coach!

SKILLSUSA NEWS

SkillsUSA is a club where students can build their leadership skills and career readiness skills. The SkillsUSA mission is to empower students to become skilled professionals, career-ready leaders, and responsible community members. Wauzeka-Steuben SkillsUSA club currently has 12 middle school members and 17 high school members in it.

Recently four of our SkillsUSA officers/members and our advisor (Mr. Gillitzer) traveled to Cushman's Greenhouse in Belmont, Wisconsin where they picked up about 120 poinsettias for our annual fundraiser. The four officers/members that traveled to Belmont were Cooper Lomas- President, Cohen Redman- Vice President, Ben Bird- Treasurer, and Jonah Klema- Reporter.

On December 11th, SkillsUSA participated in our District Competition. A special congratulations to Will Zander on 1st place cabinetmaking, Mallory McCullick on 1st place Photography, and Logan Bunders on 2nd place Photography. Good work everyone!
