SENIORS ATTEND REALITY CHECK

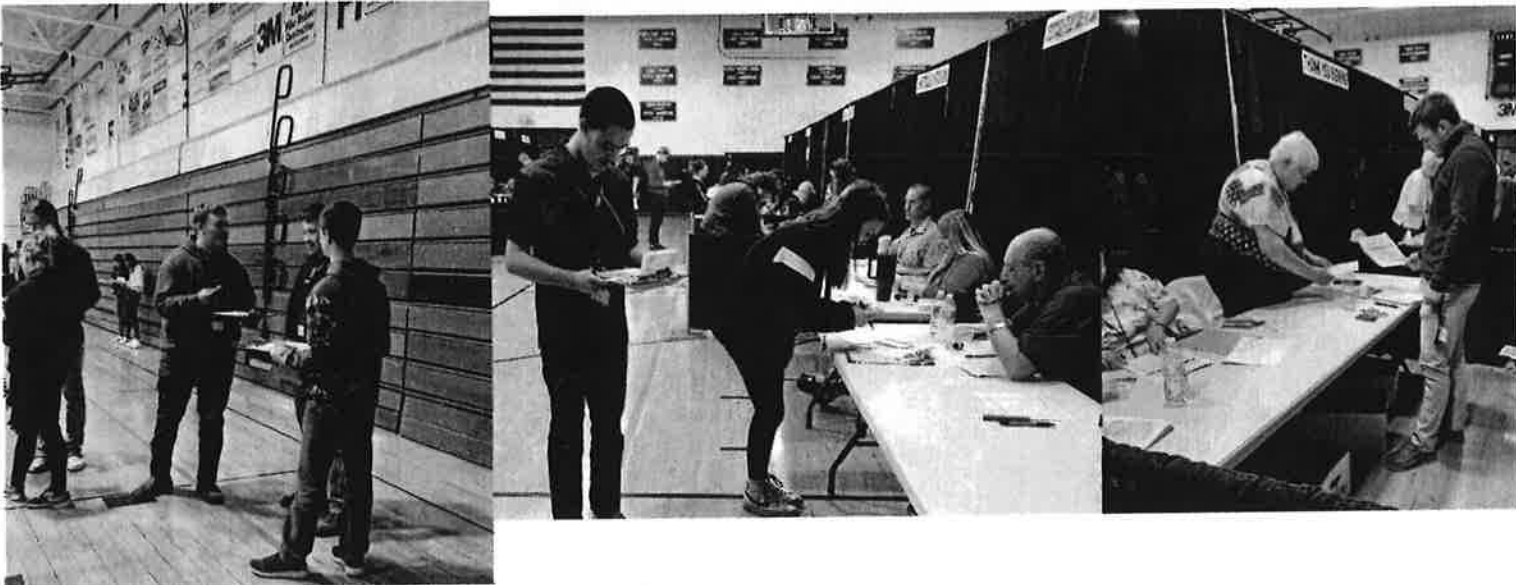

The senior class attended the Reality Check on March 13th at the Prairie du Chien school district.

Students from area school districts of Boscobel, Prairie du Chien, Cassville, Seneca, Wauzeka-Steuben, Clayton Ridge, MFL Mar Mac, and Central Community participated. The day consisted of students taking their chosen careers and being given random, realistic scenarios. Students were single, married, or divorced; had one child or multiple; one income or two. They had to maintain a budget while paying all of the monthly expenses such as housing, car expenses, daycare, utility costs, student loans, investments, clothing, and food expenses among others. There were also unexpected events given by the nurse and police officer, such as a broken arm or speeding ticket.

Many businesses, organizations, and volunteers work together to help the students understand what

life will be like when they have to live on their own. Many students commented that this was an eye-opening experience, and many could be heard saying throughout the day, "THAT COSTS WHAT?"

among many other things. One of the most rewarding parts of this activity is the interaction between the young adults and the business and community members. The volunteers come from a variety of businesses including local industry, banks, retail stores, insurance agencies, credit unions, financial investment firms, auto dealers, real estate agents, city and county government, law enforcement, and many others. We are grateful for them taking the time out of their busy schedules to help the seniors experience reality.

PBIS ASSEMBLY

This month we recognized those students who can remain calm when dealing with a difficult or annoying situation, person, or task. This can look like waiting in line, taking turns, or using self-control when someone upsets you on purpose. Next up is Cooperative Cow.

Elementary Students of the month

Beau McCullick (Kindergarten) son of Dustin McCullick and Jennifer Swatek. Beau has worked very hard this school year on improving himself and his skills. Beau is a wonderful helper and hard worker in the classroom. Beau has really found his voice and is able to express himself now than at the start of the school year. He continues to work each day on doing his best. Mrs. Cathy is so proud of his achievements and hard work that he has put into school. Keep up the great work Beau!

Sydney Achenbach-McCants (1st Grade), daughter of Mabelene Achenbach. Sydney has been doing an awesome job participating in class and completing her work. She takes her time and always does her best on projects. She does a great job sharing with her friends and including everyone. Ms. Rinkus is very proud of her!

Ella Bartels (2nd Grade), daughter of Jeff and Kari Bartels. Ella has had a fantastic year in school! She consistently demonstrates a positive attitude and shows great creativity in her work. Her kindness and helpful nature make her a valuable classmate. Ella is always thoughtful and friendly towards others, creating a welcoming environment in the classroom. Keep up the excellent work, Ella!

Bentley Monroe (3rd Grade), son of Cliff and Jennifer Monroe. Bentley is a great role model and person inside and out. He is a great friend to all and exhibits much positivity throughout the day. He exhibits many exemplary qualities such as outstanding character, kindness, patience, a good work ethic, and the list goes on. He has done a great job this entire school year, but this month, he has really taken off and found his groove. Mr. Smith is very proud of the progress Bentley has made. Keep up the great work!

Hudson Bunders (4th Grade), son of Ryan and Misty Bunders. Hudson is such a delight to have in class. He is a student who wastes no time. He gets busy working on his assignments, participates in class, and follows instructions. Due to his outstanding work habits as a student, he excels academically. On top of being a great student academically, he's friendly, kind and always helps others. He often volunteers to help out in the classroom. Hudson is a student who exhibits the characteristics of being respectful, responsible, and safe. As a result, his classmates see him as a leader and someone they can count on. Hudson's hard work, passion for learning, and desire to be great show why he's successful.

Sophia Read (5th Grade), daughter of Ben and Nicole Read. Sophia works to challenge herself each day. She often does more than is expected and pushes herself to be better. Sophia asks in-depth questions in class and is always eager to know more. She does a fabulous job at completing her work on time, while giving maximum attention and effort. Sophia is responsible and accountable in the classroom each day. She is helpful in class and tries to hold her classmates to high expectations. When doing partner work, Mrs. Martin has seen Sophia take time and patience to explain concepts so that her peers can better understand. Keep up the good work!

MS/HS Students of the Month

Lohaina Huber (6th Grade), daughter of Bob and Jen Huber. Lohaina has had a great school year so far. She works hard in her academics and helps her peers when they are struggling. She is respectful, organized, and always gives 100%.

Breileigh Trautsch (7th Grade), daughter of Brian and Ashley Trautsch. Breileigh is very dependable and helpful to staff and peers. She always tries her best and asks questions if something is unclear. She is very organized and shows great leadership skills. She participates in the classroom as well as other extracurricular activities.

Morgan Berger (12th Grade), daughter of Doug and Brenda Berger. Morgan goes above and beyond in yearbook. She always makes sure all her work is done as well as double checking other's pages. Morgan always has great input and is willing to help out in any way. She wants the yearbook to be the best one yet and puts in the time in class and out of class. Morgan is not only hard working, but very polite and kind and is such a great role model.

Alex Manning (12th Grade) son of Don and Angie Manning. Alex is a great student. He works hard, is always trying to do his best, and if he does get something wrong he makes sure he understands it. He is positive and polite and is a great example for other students.

Exciting Girls Basketball Playoff Run

The girls started off regionals playing Seneca, beating them 65-23. The second game was more of a fight but they ended up winning against Blackhawk 54-44. They moved on to the regional championship game versus Belmont. They were in for a fight because the last three years Belmont has beat us in the regional championship game. This year, the girls were able to pull through a very exciting game winning 52-46. The girls moved on to sectionals that were held in Richland Center against Pecatonica/Argyle. There they put up a fight but ended up ending their season in Richland Center. The girls had an amazing season and put up the best record ever in the history of Wauzeka-Steuber's girls basketball at 24-3.

WAUZEKA-STEUBEN SCHOOL RENOVATION UPDATE & SCHOOL BOARD MEETINGS

Soon work will continue on the exterior of the school building. Beginning this spring and likely continuing into the fall, the metal clad siding will be installed. The contractor will be moving about various parts of the exterior, depending upon student/staff use of the building and on whether or not the condition of the area being covered has other concerns that need to be addressed first.

The school will also be continuing to plan projects short and long-term so that the district can keep up with maintenance and renovations that need to happen. Consequently, I encourage district residents to check meeting postings (BP, Bank, Post Office) and to attend information meetings so that there is an accurate awareness of progress on planning and renovations.

One of the first tasks as the district proceeds is to identify and prioritize projects. Revenue sources also need to be identified for possibilities that will help meet the needs of the district.

On behalf of the District thank you for your patience, understanding, and most importantly your support of our school. These are critical times that require discussion, patience, and problem-solving.

Dr. Gary L. Albrecht
Interim District Administrator

FORTHCOMING SCHOOL BOARD MEETINGS

April 9th 6:30 pm Finance/Budget meeting

April 15th 6:30 pm Regular School Board meeting

May 20th 6:30 pm Regular School Board meeting

School Board agendas will be emailed to radio stations WPRE and KADR, to the District's website manager, and to the Clerk of the Village Board of Steuben for posting. Copies of the agenda will be posted at the front and rear doors of the school, at Peoples State Bank, the Wauzeke BP, and the faculty/staff lounge". The meetings will also be noticed in the school newsletters.

The above are scheduled school board meetings. Special meetings will be called as needed and posted locally.

Contact: DPI Media Line, (608) 266-3559, media.inquiries@dpi.wi.gov

Open enrollment application period for 2024-25 school year opens Feb. 5

MADISON — The Wisconsin Department of Public Instruction announced today the online application period for the Public School Open Enrollment Program for the 2024-25 school year opens next week.

Beginning Feb. 5, 2024, and running through April 30, 2024, parents and guardians can apply to send their children to any public school district in Wisconsin during the 2024-25 school year through the open enrollment program. Application materials and additional information on the program are available on the DPI's website.

School districts are required to notify applicants by June 7, 2024, on the status of their open enrollment application. Transportation to and from a nonresident school, in most circumstances, is the responsibility of the parent or guardian. However, some school districts may provide partial transportation. To assist in submitting open enrollment applications, a directory of public school districts is available on the DPI's website. Additional information from an open enrollment consultant is available toll-free by calling 888-245-2732, or by emailing openenrollment@dpi.wi.gov.

The Public School Open Enrollment Program is funded by state general equalization aid transfers between sending and receiving school districts, with the transfer amount calculated on statutory provisions. For the 2023-24 school year, the transfer amount is an estimated \$8,618 per student, or \$13,470 for students with disabilities. Resident districts cannot deny a student's open enrollment application for cost reasons. For more information, visit the Wisconsin DPI's open enrollment webpage.

NOTE: This news release is available online on the Wisconsin Department of Public Instruction's website.

2024-2025 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

INFORMATION FOR PARENTS

YOU MAY APPLY FOR OPEN ENROLLMENT FROM FEBRUARY 5 – APRIL 30, 2024.

What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

How and when may parents apply?

The open enrollment regular application period for the 2024-25 school year is from February 5-April 30, 2024. The application period closes at 4:00pm on April 30, 2024. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Can parents appeal if an application is denied? Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

IMPORTANT OPEN ENROLLMENT DATES

February 5 – April 30, 2024

Parents must submit applications online or directly to the nonresident school district.

June 7, 2024

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

June 14, 2024

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

June 28, 2024

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2024-25 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.
