END OF WATCH

WAUZEKA-STEUBEN HONORS MILITARY HEROES

Lindsey Lund - Senior Editor & Hornet Council Member

For many, the celebration of Veterans Day is anything but; the holiday pays tribute to all American veterans, living or dead.

The 11th hour, of the 11th day, of the 11th month signifies the end of World War I, occurring in 1918. From its first anniversary, November 11th was known as Armistice Day, and in 1938, it became a national holiday established by Congress. The

1950s brought many new changes, including the election of President Dwight D. Eisenhower. Under his leadership, the title of Armistice Day was retired and forth came Veterans Day, named to commemorate all personnel who have served the United States, whether in war or peacetime.

The Wauzeka-Steuben School District prides themselves on teaching their students on our history as a country, and to honor this, we hold a program each year with the entire school in attendance, and is always open to the community. Within the school, Hornet Council is an organization advised by Mr. Benjamin Dums. Hornet Council allows students an opportunity to develop leadership by organizing and carrying out school activities, and they are also representatives of the student body. As a highly-regarded club, they plan the Veterans' Day program to honor those who have served, and those who are currently serving.

This year, our program was held on November 12th. There were K-12 musical selections under the direction of Ms. Stephanie Cooper and Mr. Phil Stiemke; poems read by Badger State Representatives Nathaniel Benish, Lindsey Lund, Gabriel Martin, and Jenna McCarthy; other orators include Erin Krachey and Ravyn Krachey, Hornet Council Representatives, and guest speaker Mr. Erich Schmitt, U.S. Army Recruiter. SFC Schmitt has served for more than 15 years with four combat deployments, three to Iraq and one to Afghanistan. He has been stationed in Louisiana, Kansas, Texas, Alaska, Germany, and is currently in Onalaska. Mr. Schmitt's speech didn't solely focus on personal stories, though they were shared.

Wauzeka-Steuben would like to thank all of those who attended the ceremony along with the men and women who served or are currently serving in the military.

Brock Krachey - *Freshman & Associate Editor*

The Wauzeka-Steuben Freshman class is preparing for their Washington, D.C. trip, which will occur March 19-24, 2019. So far several fundraisers have been completed for the trip. Fundraisers like Java Joe's, Rada Cutlery, Schwan's Cares, and the most recent apple pie fundraiser. The freshman class went out and pre-sold apple pies. The freshman then gathered on October 21, and made apple pies. With lots of support from parents, friends, and family who volunteered to help, the freshman made 780 pies. The Wauzeka-Steuben Class of 2022 would like to thank the West Ridge Orchard for generously donating half of all the apples used in the pies. Other thoughtful donations came from Kickapoo Orchard, Sunrise Orchard, Oakwood Fruit Farm, Hillcrest Orchard, Fleming Orchard, Shihata's Orchard, Turkey Ridge Organic Orchard, Krachey's BP in Prairie du Chien, L&M's BP in Wauzeka, Lois Schwert, Wallin/Kapinus Families, AMPI, and Gundersen Health System in the Prairie du Chien Clinic.

COLLEGE CAMPUS VISIT HIGH SCHOOL STUDENTS TOUR REGIONAL CAMPUSES

Lindsey Krachey -
*Sophomore & Associate
Editor*

Amelia Walz - *Sophomore
& Associate Editor*

On Tuesday, October 30, 2018 students in grades 9-12 traveled to either UW Oshkosh or Winona State University for a tour and a better understanding of what that specific college had to offer. About two weeks prior to the college visit date,

students had the opportunity to choose which college they would like to learn more about, to then eventually tour. The number of students that attended either UW University also attended the nearby technical college as well.

The college visit to UW Oshkosh was a long ride, leaving school at 6AM and returning around 6PM, but it was a great experience for all students involved. There were lots of opportunities offered that really seemed to stand out. The group of students were split up into 3 even groups, along with one chaperone for each, which lead to each group getting their own tour guide. Students enjoyed many programs that are offered there, some of which include nursing, business, science and lettering, as well as education and human services. Several students were very much interested into the nursing programs available. When each tour was complete, the students were able to experience a typical meal offered on campus.

Students then traveled an additional half an hour to tour/visit the technical college nearby, which was Fox Valley Technical College. Along with choosing which college that they would rather attend, each student also selected what programs they would like to learn more about as well, by taking a survey offered by the Technical College. There was a brief introduction of what each program provides to each student enrolled in

that specific program. Then, there a tour guide gave students a detailed tour and only toured that program for the remaining time of the visit. There are a lot of hands-on things that are offered and suggested that they are used to their advantage to learn further within that career path at hand. The tour came to an end and the

students began the four hour bus ride home.

The college visit to Winona State University wasn't quite as long as the ride to UW Oshkosh, but it was still a long haul. There was a diverse choice of career paths, as well as other school opportunities and activities. The group was also split in three smaller groups, and we took a tour of the campus, as well as

seeing the dorms, gymnasium, library, lecture halls, and some actual classes that were in session. This really helped to get a feel of what college life is like. After the tours the students had the opportunity to talk to some students that went, or were going to Winona State. They talked to the students about the many different paths that they could take, as well as all the sports and clubs that were available. Lastly the students had a typical college lunch meal.

After going to Winona State University the students traveled just a few minutes down to the Southeast Minnesota Technical College in Minnesota. While here the students experienced the different fields, and paths that the student could take. Some of the programs offered were welding and truck driving,

In conclusion, the day off of school for these students was a positive experience, filled with the knowledge of what these schools have to offer to our students. The student body is looking forward to the upcoming college visits to attend in the near future. It is very rewarding to attend a college visit, because it broadens the understanding and idea of what one's future hold.

ALUMNI SCHOLARSHIP

ENDOWMENT FUND FOR ALUMNI SCHOLARSHIP

Any community members or alumni who are interested in donating money to the recently founded Alumni Scholarship Endowment Fund are encouraged to contact the Wauzeka-Steuben Business Office. Any monetary donation up to a cumulative level of \$25,000 will be matched dollar for dollar by a 1976 alumnus.

Many of the alumni from Wauzeka-Steuben High School have leveraged their WSHS education to become successful employees, entrepreneurs, and community leaders. The recently established Alumni Scholarship was initiated by a 1976 WSHS alumnus, and is intended to encourage academic excellence and additional post-high school education by helping defer tuition and related educational expenses at a four-year college for an outstanding graduating WSHS senior. The scholarship is intended to be one of the premiere WSHS scholarships awarded to a graduating senior, with a current stipend level of \$2,000 payable near the time of the 1st semester college enrollment. Selection is based primarily on high school GPA, active participation in WSHS extracurricular activities, and college standardized admission tests such as ACT or SAT, thereby demonstrating considerable promise for academic success in college.

In order to provide long-term financial stability for the Alumni Scholarship, an endowment fund with a goal of \$50,000 is being set up. Any WSHS alumni or benefactor donation up to a cumulative level of \$25,000 will be matched dollar for dollar by the 1976 alumnus. All WSHS alumni and friends are encouraged to consider making a donation to help achieve the endowment goal for this scholarship.
