PBIS ASSEMBLY

Below are the Polite Platypuses for the month, those students who went above and beyond demonstrating good manners by saying please and thank you, taking turns, respecting personal space, greeting others nicely, and waiting their turn.

In addition, to kick-off state testing and to recognize the effort and success that students demonstrated on their assessments last school year, students were treated with a free breakfast consisting of a waffle bar with a variety of toppings. They also had the opportunity to burn off some energy in a bouncy house. Needless to say, there were lots of laughs and smiles

Herb Kohl Educational Foundation announces 2023 scholarship and award recipients

Awards honor exceptional Wisconsin students, teachers, and administrators

MILWAUKEE — The Herb Kohl Education Foundation today announced 306 Wisconsin students, teachers, and administrators are the recipients of the organization's 2023 Student Excellence and Initiative, Teacher Fellowship and Principal Leadership awards.

Student Excellence and Initiative Scholarships of \$10,000 will be awarded to 190 graduating high school students who have demonstrated academic excellence and have displayed a broad range of activity and leadership in their community. Teacher Fellowship awards of \$6,000 will be presented to 100 teachers who were nominated for their leadership and service in and outside the classroom, their ability to inspire a love of learning and to motivate their students. Principal Leadership awards of \$6,000 will be given to 16 principals for setting high standards for instruction, achievement and character, and creating a climate to best serve students, families, staff and community.

"Education is the key to the future of Wisconsin and our nation," former U.S. Sen. Herb Kohl said. "These student, teacher, and principal award recipients have demonstrated incredible hard work, achievements, and service. I congratulate them all and hope this award not only helps them in their individual pursuits but also reminds them to pay it forward in the future."

Award recipients are selected by a statewide committee composed of civic leaders and representatives of education-related associations and the program's co-sponsors: The Wisconsin Newspaper Association Foundation, the Wisconsin Department of Public Instruction, regional Cooperative Educational Service Agencies (CESA), the Association of Wisconsin School Administrators, and the Wisconsin Homeschooling Parents Association.

The Kohl Foundation award program was established by Herb Kohl, former U.S. Senator, philanthropist, and businessman. Since 1990, the foundation has awarded nearly \$34 million to Wisconsin educators, principals, students, and schools.

###

Note: Award recipients were notified of their awards on March 30, 2023. A list of award recipients by category and CESA follows this news release. For more information on the Herb Kohl Educational Foundation, visit KohlEducation.org.

2023 Senior Class Trip

The 2023 Wauzeka-Steuben seniors took a trip to the big apple, NEW YORK CITY! The seniors trip started March 18th at 12:00 am where they took a 4 hour bus ride to the Minneapolis airport and flew out at about 6:00 am. They landed in

Newark, NJ at around 9:00 am and their trip took off from there! The seniors did things like a NY Knicks NBA game, to a Wicked Broadway show, and even to some very historic museums like the Jackie Robinson

Museum, and the Jewish Heritage Museum and even The Edge! They flew home around 2:00 pm on March 25th. Every one of the seniors were very appreciative of the opportunity to be able to broaden their horizons and have new experiences on this trip, since not many local schools give their students this kind of opportunity.

Wauzeka-Steuben Hosts Prom

On April 1, 2023 the Wauzeka Steuben Juniors decorated the doll gym in preparation for their Junior prom. They chose a Poker/Vegas theme and it was a huge success with lots of people showing up for the grand march. The King and Queen for the prom were Cohen Redman and Morgan Berger. DJ Slam came and played some amazing tunes for the dance portion and everybody was dancing and having a great time. There was also a post prom for the kids who wanted to attend. It went from midnight to 4 am and everybody had a good time. There was food, dessert, pop and a bouncy house. Nobody went home empty handed either because thanks to all of our local businesses we received some very nice donations. Everybody went home safe and wore out from a great night.
