Administration Record

The doctor or clinic may keep this record in your medical file or your child's medical file. They will record what vaccine was given, when the vaccine was given, the name of the company that made the vaccine, the vaccine's special lot number, the signature and title of the person who gave the vaccine, and the address where the vaccine was given.

I have read or have had explained to me the information about influenza and influenza vaccine. I have had a chance to ask questions that were answered to my satisfaction. I believe I understand the benefits and risks of influenza vaccine and ask that the vaccine be given to me or the person named below from whom I am authorized to make this request. School influenza vaccination dates late September/early October.
