

School District of Wauzeka-Steuben

Dr. Gary Albrecht
District Administrator
Ext. 214

Tiffany Dums
District Principal
Ext. 211

Wauzeka-Steuben High School Parent/Guardian,

MS/HS students will again this year be provided the opportunity to utilize a district owned Chromebook to use each school day and at home. This digital tool will allow all students to interact and collaborate with others and create authentic products so that they are participating in activities that mirror the real world. It also allows for our teachers to help prepare your student(s) to meet or exceed grade level standards and become college and career ready.

Your student will receive his/her Chromebook the first week of classes as long as this form is turned into the office, along with their signed handbook. The most important responsibility for each student will be the care of his/her Chromebook. Each student is expected to bring his/her fully charged Chromebook in its case to school daily. In order for the Chromebook battery to last an entire school day, it is imperative for students to fully charge it every evening. We recommend that each student bring headphones/earbuds daily to help utilize digital tools and resources.

Your child will be responsible for the care and safe-keeping of the Chromebook. **Any costs associated with the repair or replacement of the Chromebook will be the responsibility of the parent/guardian.** The approximate replacement cost of a Chromebook is \$400.00. We have partnered with Technology Resource Advisors to provide an insurance policy that parents/guardians can purchase. You are strongly encouraged to purchase an insurance policy for each child's Chromebook. The cost of the optional insurance coverage for your student's Chromebook for the entire school year will be \$23.00. The insurance does not cover the cost of a lost chromebook, the case or the charger. You as the parent/guardian have the option to pay for the insurance on the Chromebook, or deny the insurance and agree to pay the full price of replacing the Chromebook if damage occurs.

Thank you for your support. Our district's continued success is due to parents, students and staff working together to create a positive learning environment which will help prepare your student(s) for the future. If you have any questions regarding this initiative, please contact Derek Flansburgh at (608)875-5311 ext. 252.

☐ Yes, I would like to sign _____ up for the insurance plan for his/her district Chromebook. I have enclosed a check/paid online for \$23.00 for the 2024-25 School Year.

☐ No, I would not like to sign _____ up for the insurance plan for his/her district chromebook. I agree to pay the full price of a replacement Chromebook if the assigned Chromebook is damaged throughout the 2024-25 school year.
