

**WAUZEKA-STEUBEN SCHOOL DISTRICT**

**FULL-TIME STUDENTS**

A student in the District shall be considered full time if s/he:

1. is an elementary or middle school student scheduled in classes for the entire school day; or
2. is a high school student scheduled for a minimum of 6 credits of coursework; or
3. has been evaluated by an individualized education program (IEP) team or Section 504 team, prescribed an IEP or Section 504 plan, and is participating in educational programming and services in accordance with the IEP or Section 504 plan. This includes children who are at least 3 years old and who are eligible for and receiving special education services through the District's early childhood program; or
4. is enrolled in the District and is approved for and participating in an alternative school/educational program or other District-approved educational program or placement. This includes, but is not limited to, any program or placement defined through a program or curriculum modification, programs for children at risk of not graduating from high school, school-age parent programs, work-based learning programs, gifted programming, programming to remediate truancy, and programs leading to high school graduation or a high school equivalency diploma; or
5. is a resident student attending public school in another school district under the full-time public school open enrollment law under a District-paid tuition agreement (including for special education needs) and a tuition waiver under section 121.84 (4) of state statutes.

A full-time student's District-approved classes need not necessarily be classes that are offered by or in the District. For example, students who have received District approval to take one or more non-District courses through the part-time open enrollment program, Technical College Course Program, Early College Credit Program, contracted educational services, inter-district cooperative agreements, etc., do not lose their full-time status based upon including such courses in their schedule.
